AN ACT to renumber and amend 118.51 (3) (a) 2.; and to create 118.51 (3) (a) 2. b. and 118.51 (5) (a) 1. am. of the statutes; relating to: open enrollment applicant priority.

Analysis by the Legislative Reference Bureau

Under the Open Enrollment Program, a pupil may apply to attend a public school in a school district other than the pupil’s resident school district (nonresident school district) if certain conditions are met. If the nonresident school district receives more applications from nonresident pupils than the district has spaces, the district must determine which pupils to admit on a random basis. However, before selecting on a random basis, the nonresident school district may first give preference to pupils and siblings of pupils who are already attending a school and, if the nonresident school district is a union high school district, to pupils who are attending an underlying elementary school.

This bill permits a nonresident school district to, after giving preference to pupils and siblings of pupils already attending a school in the nonresident school district and before giving preference to a pupil attending an underlying elementary school, give preference to a pupil whose parent or guardian is an employee of the nonresident school district.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
