AN ACT to renumber and amend 893.43, 893.54 (intro.) and 893.54 (1) and (2); to amend 893.52; and to create 893.43 (2) and 893.54 (2m) of the statutes; relating to: statutes of limitation on claims involving property damage and on claims arising from a motor vehicle accident and covered by a motor vehicle insurance policy.

Analysis by the Legislative Reference Bureau

Under current law, the time limit for initiating a civil action on a contract or obligation, including an insurance policy, is generally six years after the cause of action accrues. This bill changes the time limit to three years in those cases in which the contract is a motor vehicle insurance policy. The bill describes a motor vehicle insurance policy as a policy of insurance issued or delivered in this state against the insured’s liability for loss or damage resulting from an accident caused by any motor vehicle, whether the loss or damage is to property or to a person.

Current law also requires a person seeking to recover damages for injuries to the person or for death caused by the wrongful act, neglect, or default of another to initiate a civil action in three years. This bill changes the time limit for initiating a civil action to two years in those cases in which the death is caused by or arising from an accident involving a motor vehicle covered by a motor vehicle insurance policy.

Finally, current law requires a person seeking damages for an injury to real or personal property to initiate a civil action within six years after the cause of action
accredes. This bill changes the time limit for initiating such a civil action to three years.
