3 allowing 16- and 17-year-olds to preregister to vote.

Analysis by the Legislative Reference Bureau

This bill allows a person age 16 or 17 to preregister to vote.

Under current law, only qualified electors may register to vote and vote in an election. A qualified elector is a U.S. citizen age 18 or older who has resided in an election district or ward for 28 consecutive days. Under this bill, a person who is age 16 or 17 but is otherwise a qualified elector may preregister to vote. A person who preregistered to vote may not vote in any election unless they are age 18 or older on election day. A person who preregistered may vote by absentee ballot if they will be age 18 or older on election day.

Under current law, the Government Accountability Board must maintain electronically the official registration list. Each registration list prepared for use as a poll list at a polling place must contain the full name and address of each registered elector. Under this bill, for purposes of the official registration list, "elector" means any U.S. citizen age 16 or older who has registered or preregistered and will be eligible to vote on or before the date of the next election. However, a registration list prepared for use as a poll list may not contain the name of any person who preregistered to vote unless the person will be age 18 or older on election day.
