AN ACT to amend 125.07 (3) (a) 3. and 125.32 (3) (c) of the statutes; relating to:

the presence of underage persons on premises operating under a retail alcohol beverage license.

Analysis by the Legislative Reference Bureau

This bill allows an underage person, without a parent or guardian, to be at an indoor golf and baseball facility licensed to sell beer.

Under current law, with limited exceptions, no person may sell alcohol beverages to a consumer unless the seller possesses a license or permit authorizing the sale. A Class “B” license authorizes the retail sale of fermented malt beverages (beer) for consumption on or off the premises.

Under current law, a person who is under 21 years of age and not accompanied by his or her parent, guardian, or spouse who is at least 21 years of age (unaccompanied underage person) may not enter or be on any premises for which a license or permit for the retail sale of alcohol beverages has been issued (licensed premises). Current law also provides for various exceptions to this prohibition. Among the exceptions, an unaccompanied underage person may enter or be on licensed premises that is a bowling center, movie theater, billiard center meeting certain requirements, indoor golf simulator facility, or indoor volleyball court of a certain size.
