2015 SENATE BILL 229

August 11, 2015 – Introduced by Senators LAZICH, NASS, STROEBEL and LASEE, cosponsored by Representatives R. BROOKS, J. OTT, KITCHENS, BRANDTJEN, KREMER, QUINN, ALLEN, KOOYenga and KAHL. Referred to Committee on Government Operations and Consumer Protection.

1 \textbf{AN ACT} to create 157.123 of the statutes; \textbf{relating to:} regulation of columbaria maintained by religious associations.

\underline{Analysis by the Legislative Reference Bureau}

This bill creates an exemption from the requirements applicable to mausoleums and cemeteries for certain columbaria maintained by religious associations. A columbarium is a building, structure, or part of a building or structure that is used or intended to be used for the inurnment of cremated human remains. Under current law, a columbarium that contains more than ten niches for the repose of cremated human remains or in which at least one niche is offered for sale to the general public is considered a “public mausoleum” and must be located in a cemetery. All columbaria are subject to certain other requirements applicable to mausoleums under current law.

The exemption created in this bill provides that a columbarium established and used by a church or other religious association is not subject to the requirements for mausoleums and cemeteries, including the requirement that a public mausoleum be contained in a cemetery, if certain requirements are satisfied, including all of the following:

1. The columbarium must be located on property owned by the religious association and on which is located the religious association’s church building or other place of worship.

2. The religious association must ensure that the columbarium is perpetually kept and maintained in a manner consistent with the intent of Wisconsin’s cemeteries law, including by ensuring that sufficient funds are continually available for the care of the columbarium.
SENATE BILL 229

3. If the religious association ceases to use or occupy the church building or other place of worship where the columbarium is located, the religious association must relocate the urns contained in the columbarium.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.
