Analysis by the Legislative Reference Bureau
This bill allows the school board president of a common, union high, or unified school district to appoint a person to fill a vacancy on the school board if the remaining school board members fail to fill the vacancy within 60 days.

Under current law, if a vacancy occurs on a school board of a common, union high, or unified school district, the remaining school board members appoint a person to fill the vacancy. This bill allows the school board president of one of these school districts to appoint a person to fill a vacancy on the school board if the remaining school board members do not fill the vacancy within 60 days of the date on which the vacancy first occurs. A school board member appointed to fill a vacancy, whether by remaining school board members or by a school board president, serves until his or her successor is elected and takes office.
