SENATE BILL 295

This bill makes the following changes to the election laws:

**Electronic Voter Registration**

This bill permits a qualified elector to register to vote electronically, eliminates the position and responsibilities of special registration deputies, and requires the Government Accountability Board (GAB) to enter into agreements with other state election administrators to share information related to the registration and voting of qualified electors.

Currently, a qualified elector may register to vote at any election by mail, in person at the office of the municipal or county clerk or board of election commissioners for the municipality or county where the elector resides, or by completing a registration form with a special registration deputy no later than the 20th day before the election. A qualified elector may also register to vote at an election in person at the office of the municipal clerk or board of election commissioners for the municipality where the elector resides no later than 5 p.m. on the Friday before the election. In order to register, an elector must provide his or her name and address and certain other information required to ascertain his or her eligibility and must sign the form. With certain exceptions, an elector who registers after the 20th day before an election or an elector who registers by mail and who has not voted before in an election in this state must provide proof of residence prior to voting. Currently, the clerk or board of election commissioners must verify each registration received by mail or submitted by a special registration deputy by sending a first-class letter or postcard to the registrant at the registrant’s address.

This bill permits a qualified elector who has a current and valid driver’s license or identification card issued by the Department of Transportation (DOT) to register to vote at an election electronically on a secure Internet site maintained by GAB. The bill requires an electronic registration to be completed no later than the 20th day before an election in order to be valid for that election. Under the bill, a qualified elector enters the same information that appears on the current registration form and authorizes DOT to forward a copy of his or her electronic signature to GAB. The authorization affirms that all information provided by the elector is correct and has the same effect as if the elector signed the form personally. The bill also permits an elector who is currently registered to vote and who has a current and valid driver’s
license or identification card to electronically enter a change of name or address using a similar procedure.

In accordance with the existing procedure for verifying registrations that are not received at the office of the municipal clerk or board of election commissioners, the bill provides that when an electronic registration is received, GAB or the clerk or board of election commissioners of the elector’s municipality of residence must verify each electronic registration by sending a first-class letter or postcard to the registrant at the registrant’s address. Except as otherwise permitted under the bill, if the registrant is voting for the first time in an election in this state, the registrant must provide proof of residence before voting in the election. The bill creates one exception which provides that, if an elector who registers electronically provides his or her Wisconsin driver’s license number, together with his or her name and date of birth, and GAB is able to verify the information electronically at the time of registration by electronically accessing DOT’s records, the elector need not provide proof of residence prior to voting. The bill directs GAB and DOT to enter into an agreement that permits GAB to verify the necessary information instantly by accessing DOT’s electronic files.

Currently, each municipal clerk and board of election commissioners must maintain a file of voter registration forms for the electors of the municipality. This bill provides that the clerk or board must maintain registrations that are entered electronically in the manner prescribed by GAB, by rule.

The changes to elector registration first apply with respect to registration for voting at the first spring or partisan primary election that follows the day on which the bill becomes law by at least six months.

Current law permits municipal clerks to appoint qualified electors to serve as special registration deputies in a municipality for the purpose of registering electors of that municipality prior to the close of registration. The municipal clerk may authorize a special registration deputy to register electors at a polling place if the registration process would be facilitated by that authorization. Individuals must generally complete training provided by GAB prior to serving as a special registration deputy. This bill eliminates the authority to appoint and use special registration deputies.

This bill requires the chief election officer to enter into an agreement with the Electronic Registration Information Center for the purpose of maintaining this state’s statewide voter registration list.

Election Registration Officials

This bill allows the municipal clerk or board of election commissioners to appoint election registration officials to register voters at the polling place on election day. The bill also requires election registration officials to receive the same training as inspectors. Under the bill, the term “election registration official” refers to an individual who is appointed to register electors at the polling place.

Testing

Under current law, GAB must, by rule, prescribe requirements for certifying individuals to serve as chief inspectors for an election. The board must include training as part of those requirements, but the board may not require an individual
who receives the training to take an examination. This bill allows the board to require such an examination.

**Electronic Poll Lists**

This bill requires GAB to facilitate the creation and maintenance of electronic poll lists.

**Electronic Voting Systems**

This bill allows GAB to certify any voting device, automatic tabulating equipment, or related equipment and materials for use in an electronic voting system, regardless of whether any such items are approved by the federal Election Assistance Commission.

Under current law, for the purpose of counting the votes cast using an electronic voting system, when an elector votes for more candidates for an office than are allowed to hold that office, an election official must create a duplicate ballot to record all the other votes that the elector cast and to eliminate the overvote. The official then marks the original and the duplicate and secures them both in the ballot container with the other ballots.

Under the bill, an election official may, instead, use the override function of the electronic voting system in order to record all votes of the elector on the original ballot other than the votes for the overvoted office. The official then marks the original ballot as an overvoted ballot and secures that ballot with the other ballots in the ballot container.

**Proof of Residency; Residential Care Facility**

Under current law, an individual who wants to register to vote must present proof of residency. An individual may present any of number of different documents to prove where the individual lives, including a valid and current driver's license or identification card, a property tax bill, an utility bill, a bank statement, or a check or other document issued by a governmental unit. Under current law, the proof of residency must specify the individual's name and his or her complete and current residential address, including the numbered street address and the municipality.

Under this bill, for purposes of registering to vote with election registration officials, an occupant of a residential care facility may use a contract or intake document prepared by the residential care facility that specifies that the occupant currently resides in the facility. The bill does not apply to occupants of a retirement home.

**Receiving Absentee Ballots by Mail**

This bill changes the date by which an elector must return and a municipal clerk must receive an absentee ballot by mail. Under current law, an elector may vote by absentee ballot either in person or by returning a completed ballot by U.S. mail. Current law requires a municipal clerk to accept and count the votes on absentee ballots received by mail as long as the ballot is postmarked no later than election day and received in the office of the municipal clerk by 4 p.m. on the Friday following election day.
SENATE BILL 295

This bill retains the right of an elector to vote by absentee ballot by mail, but requires the elector to return the ballot so that it is received no later than 8 p.m. on election day. Under current law, the polls close at 8 p.m. on election day.

**Absentee ballots; witness certificate**

Under current law, in order to vote using an absentee ballot, an individual must complete a certificate, which certifies that the individual is a qualified elector. The individual must sign the certificate in the presence of a witness who must also sign the certificate and provide his or her name and address. Under this bill, an absentee ballot may not be counted if the certificate is missing the address of a witness.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.

Unless election officials are selected under s. 7.30 (4) (c) without regard to party affiliation, whenever election officials of both of the 2 major political parties are present, the election officials acting under this subdivision shall consist in each case of at least one election official of each of the parties.

Prior to permitting an elector to register to vote under this subsection or s. 6.86 (3) (a) 2., the inspectors or special election registration deputies officials shall review the list. If the name of an elector who wishes to register to vote appears on the list, the inspectors or special election registration deputies officials shall inform the elector or the elector’s agent that the elector is ineligible to register to vote. If the elector or the elector’s agent maintains that the elector is eligible to vote in the election, the inspectors or special election registration deputies officials shall permit the elector to register but shall mark the elector’s registration form as “ineligible to vote per Department of Corrections.” If the elector wishes to vote, the inspectors
shall require the elector to vote by ballot and shall challenge the ballot as provided in s. 6.79 (2) (dm).

If an elector has changed both a name and address, the elector shall register at the polling place or other registration location under pars. (a) and (b).

**SECTION 38.** 6.55 (6) of the statutes, as affected by 2015 Wisconsin Act 39, is amended to read:

6.55 (6) Any of the registration duties of inspectors under sub. (2) may be carried out in the municipality by the municipal clerk or by special registration deputies appointed by the municipal clerk or board of election commissioners at any polling place or other registration location whenever the clerk or board of election commissioners determines that the registration process provided for in that subsection will be facilitated thereby. The municipal clerk, however, may not carry out the registration duties of the inspectors under sub. (2) if the municipal clerk is a candidate on the ballot for that election day. The deputies shall be specially appointed by the clerk or board of election commissioners for one election only to conduct elector registration only.

**SECTION 39.** 6.79 (1m) of the statutes is amended to read:

6.79 (1m) **Separate Poll Lists.** Two election officials at each election ward shall be in charge of and shall maintain 2 separate poll lists a poll list...
containing information relating to all persons voting. The municipal clerk may elect

to maintain the information on the lists manually or electronically. If the clerk
elects to maintain the information manually, 2 election officials at each election ward
shall be in charge of and shall maintain 2 separate poll lists. If the lists are
maintained electronically, the board shall prescribe a supplemental
list that contains the full name, address, and space for the entry of the signature of
each elector, or if the elector is exempt from the signature requirement under s. 6.36
(2) (a), the word “exempt”. If the lists are maintained electronically, the
officials in charge of maintaining the list shall enter the information into an
electronic data recording system that enables retrieval of printed copies of the lists
at the polling place. The system employed is subject to the approval of the board.

**SECTION 40.** 6.79 (2) (d) of the statutes is amended to read:

6.79 (2) (d) If the poll list indicates that proof of residence under s. 6.34 is
required and the proof of identification document provided by the elector under par.
(a) does not constitute proof of residence under s. 6.34, the officials shall require the
elector to provide proof of residence. If proof of residence is provided, the officials
shall enter both the type of identifying document submitted as proof of residence and
the name of the entity or institution that issued the identifying document in the
space provided on the poll list and shall verify that the name and address on the
identifying document is the same as the name and address shown on the registration
list. If proof of residence is required and not provided, or if the elector does not
present proof of identification under par. (a), whenever required, the officials shall
offer the opportunity for the elector to vote under s. 6.97.

**SECTION 41.** 6.86 (3) (b) of the statutes is amended to read:
6.86 (3) (b) When each properly executed form and statement required under par. (a) is presented to the municipal clerk, if the elector who proposes to vote is qualified, an absentee ballot shall be issued and the name of such hospitalized elector shall be recorded by the clerk or special registration deputy. An agent who is issued an absentee ballot under this section shall present documentation of his or her identity, provide his or her name and address, and attest to a statement that the ballot is received solely for the benefit of a named elector who is hospitalized, and the agent will promptly transmit the ballot to such person.

SECTION 42. 6.86 (3) (c) of the statutes is amended to read:

6.86 (3) (c) An application under par. (a) 1. may be made and a registration form under par. (a) 2. may be filed in person at the office of the municipal clerk not earlier than 7 days before an election and not later than 5 p.m. on the day of the election. A list of hospitalized electors applying for ballots under par. (a) 1. shall be made by the municipal clerk and used to check that the electors vote only once, and by absentee ballot. If except as provided in s. 6.34 (2m), if the elector is registering for the election after the close of registration or if the elector registered by mail or by electronic application and has not voted in an election in this state, the municipal clerk shall inform the agent that proof of residence under s. 6.34 is required and the elector shall enclose proof of residence under s. 6.34 in the envelope with the ballot. The clerk shall verify that the name on any required proof of identification presented by the agent conforms to the name on the elector’s application. The clerk shall then enter his or her initials on the carrier envelope indicating that the agent presented proof of identification to the clerk. The agent is not required to enter a signature on the registration list. The ballot shall be sealed by the elector and returned to the municipal clerk either by mail or by personal delivery of the agent; but if the ballot...
is returned on the day of the election, the agent shall make personal delivery to the polling place serving the hospitalized elector’s residence before the closing hour or, in municipalities where absentee ballots are canvassed under s. 7.52, to the municipal clerk no later than 8 p.m. on election day.

**SECTION 43.** 6.87 (4) (b) 1. of the statutes is amended to read:

6.87 (4) (b) 1. Except as otherwise provided in s. 6.875, the elector voting absentee shall make and subscribe to the certification before one witness who is an adult U.S. citizen. The absent elector, in the presence of the witness, shall mark the ballot in a manner that will not disclose how the elector’s vote is cast. The elector shall then, still in the presence of the witness, fold the ballots so each is separate and so that the elector conceals the markings thereon and deposit them in the proper envelope. If a consolidated ballot under s. 5.655 is used, the elector shall fold the ballot so that the elector conceals the markings thereon and deposit the ballot in the proper envelope. If proof of residence under s. 6.34 is required and the document enclosed by the elector under this subdivision does not constitute proof of residence under s. 6.34, the elector shall also enclose proof of residence under s. 6.34 in the envelope. Proof of residence is required if the elector is not a military elector or an overseas elector and the elector registered by mail or by electronic application and has not voted in an election in this state. If the elector requested a ballot by means of facsimile transmission or electronic mail under s. 6.86 (1) (ac), the elector shall enclose in the envelope a copy of the request which bears an original signature of the elector. The elector may receive assistance under sub. (5). The return envelope shall then be sealed. The witness may not be a candidate. The envelope shall be mailed by the elector, or delivered in person, to the municipal clerk issuing the ballot or ballots. If the envelope is mailed from a
location outside the United States, the elector shall affix sufficient postage unless the
ballot qualifies for delivery free of postage under federal law. Failure to return an
unused ballot in a primary does not invalidate the ballot on which the elector’s votes
are cast. Return of more than one marked ballot in a primary or return of a ballot
prepared under s. 5.655 or a ballot used with an electronic voting system in a primary
which is marked for candidates of more than one party invalidates all votes cast by
the elector for candidates in the primary.

SECTION 44. 6.87 (6) of the statutes is amended to read:

6.87 (6) Except as provided in s. 7.515 (3), the ballot shall be returned so
it is received by the municipal clerk no later than 8 p.m. on election day. Except in
municipalities where absentee ballots are canvassed under s. 7.52, if the municipal
clerk receives an absentee ballot on election day, the clerk shall secure the ballot and
cause the ballot to be delivered to the polling place serving the elector’s residence
before the closing hour. Except as provided in s. 7.515 (3), any ballot not mailed
or delivered as provided in this subsection may not be counted.

6.87 (6d) If a certificate is missing the address of a witness, the ballot may not
be counted.

All such forms shall contain a statement of the penalty applicable to false or fraudulent registration or voting through use of the form. Forms are not required to be furnished by the board.

SECTION 48. 7.30 (2) (a) of the statutes is amended to read:

7.30 (2) (a) Only election officials appointed under this section or s. 6.875 may conduct an election. Except as otherwise provided in this paragraph and in ss. 7.15 (1) (k) and 7.52 (1) (b), each election official shall be a qualified elector of a county in which the municipality where the official serves is located, and each chief inspector shall be a qualified elector of the municipality in which the chief inspector serves. If no qualified candidate for chief inspector is available or if the chief inspector is appointed to fill a vacancy under par. (b), the person so appointed need not be a qualified elector of the municipality. If a municipal clerk or deputy clerk serves as a registration deputy or is appointed to fill a vacancy under par. All officials appointed under this section shall be able to read and write the English language, be capable, and be of good understanding, and may not be a candidate for any office to be voted for at an election at which they serve. In 1st class cities, they may hold no public office other than notary public.

Except as authorized under subs. (1) (b) and (4) (c), all inspectors shall be affiliated with one of the 2 recognized political parties which received the largest number of
votes for president, or governor in nonpresidential general election years, in the ward
or combination of wards served by the polling place at the last election. Excluding
the inspector who may be appointed under sub. (1) (b), the party which received the
largest number of votes is entitled to one more inspector than the party receiving the
next largest number of votes at each polling place. Whenever 2 or more inspectors
are required to perform a function within a polling place and both parties that are
entitled to submit nominees have done so, the chief inspector shall assign, insofar as

**SECTION 51.** 7.315 (1) (b) 1. of the statutes is amended to read:

7.315 (1) (b) 1. Each inspector other than a chief inspector and each special

SECTION 53. 7.315 (3) of the statutes is amended to read:

7.37 (13) Closing of Polls. For each polling place, the municipal clerk shall designate an official of the municipality who shall position himself or herself at the end of the line of individuals waiting to vote, if any, at the time that the polls officially close. absentee ballot with the corresponding poll list of the electors who vote in person to
ensure that no elector is allowed to cast more than one ballot. If an elector who votes
in person has submitted an absentee ballot, the absentee ballot is void. Except as
authorized in par. (b), if one or more electors of the municipality have cast provisional
