1 **AN ACT** *to create* 66.0408 of the statutes; **relating to:** prohibiting local
2 ordinances, resolutions, and policies that prohibit immigration status inquiries
3 and reports to, and cooperation with, other units of government about the
4 presence of illegal aliens, authorizing certain elective officeholders to
5 commence an enforcement action, and providing a reduction in shared revenue
6 payments.

Analysis by the Legislative Reference Bureau

This bill prohibits a city, village, town, or county (political subdivision) from enacting or enforcing an ordinance, resolution, or policy that prohibits an employee of that political subdivision from inquiring about the immigration status of an individual who has been lawfully detained or arrested, or from otherwise cooperating with or assisting the federal government, or other units of government, with immigration enforcement. The bill also authorizes the attorney general or the appropriate district attorney or sheriff to file a writ of mandamus with the circuit court to require compliance with the requirements created by the bill if he or she believes that the political subdivision is failing to comply with the requirements.

If a court finds that a political subdivision has failed to comply, the department of revenue must reduce the political subdivision's shared revenue payments in the next year by \$500 to \$5,000, depending on the political subdivision's population, for each day of noncompliance.
