AN ACT to renumber and amend 175.51; to amend 165.785 (1) (b) 2., 165.785 (2), 165.785 (2m) (a) 1., 165.785 (2m) (b) and 175.51 (title); and to create 165.785 (1) (b) 3., 165.785 (2r) and 175.51 (2m) of the statutes; relating to: alerts for hit-and-run incidents.

Analysis by the Legislative Reference Bureau

The Department of Justice (DOJ) currently administers an integrated crime alert network and may use the network to provide to state agencies, law enforcement, or the public information regarding criminal activity, crime prevention, and missing or endangered persons. This bill requires DOJ to allow law enforcement agencies to use the network to disseminate reports of certain hit-and-run incidents to entities that DOJ identifies as persons who can make public such reports. The bill also requires a law enforcement agency that receives a report of a hit-and-run incident to use the network to disseminate the report if: 1) a person has been killed or has suffered great bodily harm; 2) additional information is available about the incident that could identify the person or vehicle involved; and 3) an alert could help avert further harm or could aid in apprehending the person involved.
