AN ACT to amend 38.28 (1m) (a) 1.; and to create 20.285 (1) (e), 20.292 (1) (e),
36.66 and 38.42 of the statutes; relating to: grants to students enrolled in
technical colleges and University of Wisconsin college campuses to meet
emergency financial need and making an appropriation.

Analysis by the Legislative Reference Bureau
This bill creates a program to award grants to students enrolled in technical
colleges and the two−year University of Wisconsin college campuses (UW colleges)
to meet emergency financial need. A student is eligible for a grant to pay the
student’s expense resulting from a financial emergency if the student’s expected
family contribution, as determined by the federal Free Application for Federal
Student Aid, is less than $5,000. “Financial emergency” is defined as an unplanned
event causing an unanticipated expense that would cause a student to not complete
that term if a grant were not available to cover the expense, and includes such
expenses as those for medical treatment or vehicle repair but not for textbooks,
student fees, or groceries. The amount of the grants awarded to a student may not
exceed a total of $500 per academic year, with a limit of two grants per student per
academic year. A student’s grant application must include written proof identifying
the nature and amount of the expense and the third party to whom this amount is
owed. Grant funding is distributed by the Wisconsin Technical College System
(WTCS) Board to the technical colleges, and by the University of Wisconsin System
Board of Regents (Board of Regents) to the UW colleges, based on the anticipated
need and demand for grants at each technical college or UW college. Each technical
college and UW college must collect certain information relating to the grant program and, at the end of each academic year, report this information to, respectively, the WTCS Board and Board of Regents, and the WTCS Board and Board of Regents must then report this information to the legislature.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
