AN ACT to amend 25.40 (1) (b), 78.01 (1), 78.015 (1), 78.12 (4) (a) 4. and 78.12 (4) (b) 2.; and to create 78.018 and 78.019 of the statutes; relating to: increasing the motor vehicle fuel tax rate to pay debt service on transportation bonding and adjusting the rate by the annual average change in the consumer price index.

Analysis by the Legislative Reference Bureau
This bill increases the motor vehicle fuel tax rate by five cents per gallon and uses the additional tax revenue from that increase to make payments on the debt service on contingent funding of major highway and rehabilitation projects. The bill also requires the Department of Revenue to annually adjust the rate to reflect changes in the consumer price index.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
