2015 SENATE BILL 787

March 10, 2016 – Introduced by Senators HARRIS DODD and C. LARSON, cosponsored by Representatives BARNES, BERCEAU, SUBECK, BOWEN and BROSTOFF. Referred to Committee on Judiciary and Public Safety.

AN ACT to amend 66.0409 (2); and to create 66.0409 (1) (at) and 66.0409 (7) of the statutes; relating to: authorizing local governments to collect and record information about firearms in a registry.

Analysis by the Legislative Reference Bureau

Under this bill, if a resident of a municipality (any city, village, or town) contacts a law enforcement agency and reports that he or she possesses a firearm and would like to register it, the law enforcement agency may record that information and create a firearms registry. No information contained in the registry is subject to inspection or copying under the open records law, subject to a number of exceptions. The information may be disclosed to law enforcement officials if the information relates to an ongoing criminal investigation or if the registered firearm is reported lost or stolen. In addition, the individual who registered the firearm may waive confidentiality.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
