(a) If the grain dealer has filed an annual financial statement under s. 126.13 and that financial statement shows a current ratio of at least 1.25 to 1.0, the grain dealer’s current ratio assessment rate equals the greater of zero or the current ratio assessment factor in sub. (3) (b) multiplied by 120.81376.

(d) Except as provided in par. (e), if the grain dealer has not filed an annual financial statement under s. 126.13, the grain dealer’s current ratio assessment factor is 0.000036, except that, for the grain dealer’s 5th or higher consecutive full license year of participation in the fund, the grain dealer’s current ratio assessment rate is 0.0000125, except that it is zero for the grain dealer’s 5th or higher consecutive full license year of participation in the fund.

(3) CURRENT RATIO ASSESSMENT FACTOR. (a) A grain dealer’s current ratio assessment factor under sub. (2) (a) is 0.00003 except that, for the grain dealer’s 5th or higher consecutive full license year as a contributing grain dealer, the grain dealer’s current ratio assessment factor is zero.

(a) If the grain dealer has filed an annual financial statement under s. 126.13 and that financial statement shows positive equity and a debt to equity ratio of not more than 4.0 to 1.0, the grain dealer’s debt to equity ratio assessment rate equals the greater of zero or the debt to equity ratio assessment factor in sub. (5) (a) multiplied by the following amount:
1. Subtract 4 from the debt to equity ratio.
2. Divide the amount determined under subd. 1. by 3.
3. Raise the amount determined under subd. 2. to the 3rd power.
4. Subtract 1.7 from the debt to equity ratio.
5. Divide the amount determined under subd. 4. by 1.75.
6. Raise the amount determined under subd. 5. to the 7th power.
7. Add the amount determined under subd. 3. to the amount determined under subd. 6.
8. Add 2 to the amount determined under subd. 7.

(b) If the grain dealer has filed an annual financial statement under s. 126.13 and that financial statement shows a debt to equity ratio of greater than 4.0 to 1.0, but less than 5.0 to 1.0, the grain dealer’s debt to equity ratio assessment rate equals the debt to equity ratio assessment factor in sub. (5) (b) multiplied by the following amount:
1. Subtract 4 from the debt to equity ratio.
2. Divide the amount determined under subd. 1. by 3.
3. Raise the amount determined under subd. 2. to the 3rd power.
4. Subtract 1.7 from the debt to equity ratio.

7. Add the amount determined under subd. 3. to the amount determined under subd. 6.
8. Add 2 to the amount determined under subd. 7.

(c) If the grain dealer has filed an annual financial statement under s. 126.13 and that financial statement shows negative equity or a debt to equity ratio of at least 5.0 to 1.0, the grain dealer’s debt to equity ratio assessment rate equals the debt to equity ratio assessment factor in sub. (5) (b) multiplied by 86.8244.

(d) Except as provided in par. (e), if the grain dealer has not filed an annual financial statement under s. 126.13, the grain dealer’s debt to equity ratio assessment rate equals the debt to equity ratio assessment factor in sub. (5) (b) multiplied by 8.77374.

(e) If the grain dealer has not filed an annual financial statement under s. 126.13 and the grain dealer procures grain in this state solely as a producer agent, the grain dealer’s debt to equity ratio assessment rate is 0.00025, except that it is 0.000175 for the grain dealer’s 5th or higher consecutive full license year of participation in the fund.

(5) DEBT TO EQUITY RATIO ASSESSMENT FACTOR. (a) A grain dealer’s debt to equity ratio assessment factor under sub. (4) (a) is 0.00001, except that it is zero for the grain dealer’s 5th or higher consecutive full license year as a contributing grain dealer.

(b) A grain dealer’s debt to equity ratio assessment factor under sub. (4) (b) to (d) is 0.000015, except that it is 0.000015 for the grain dealer’s 5th or higher consecutive full license year as a contributing grain dealer.

(6) DEFERRED PAYMENT ASSESSMENT RATE. A grain dealer’s deferred payment assessment rate is 0.0035, unless the department specifies a different rate by rule.

(6m) REDUCED ASSESSMENT FOR CERTAIN GRAIN DEALERS FILING SECURITY. If a grain dealer files security under s. 126.16 (1) (c), the grain dealer’s assessment is the amount determined under sub. (1) reduced by an amount determined as follows:

(a) Divide the amount of security that the grain dealer is required to file as determined under s. 126.16 (3) (b) by the amount of the grain dealer’s estimated default exposure, as defined in s. 126.16 (1) (c) 1.

(b) Multiply the amount of the assessment determined under sub. (1) by the amount determined under par. (a).

(7) QUARTERLY INSTALLMENTS. (a) A contributing grain dealer shall pay the grain dealer’s annual fund assessment in equal quarterly installments that are due as follows:
1. The first installment is due on October 1 of the license year.
2. The 2nd installment is due on January 1 of the license year.
3. The 3rd installment is due on April 1 of the license year.
4. The 4th installment is due on July 1 of the license year.

(b) A contributing grain dealer may prepay any of the quarterly installments under par. (a).

(c) A contributing grain dealer who applies for an annual license after the beginning of a license year shall pay the full annual fund assessment required under this section. The grain dealer shall pay, with the first quarterly installment that becomes due after the day on which the department issues the license, all of that year’s quarterly installments that became due before that day.

(d) A contributing grain dealer who fails to pay the full amount of any quarterly installment when due shall pay, in addition to that installment, a late payment penalty of $50 or 10 percent of the overdue installment amount, whichever is greater.

(8) NOTICE OF ANNUAL ASSESSMENT AND QUARTERLY INSTALLMENTS. When the department issues an annual license to a contributing grain dealer, the department shall notify the grain dealer of all of the following:
(a) The amount of the grain dealer’s annual fund assessment under this section.

(b) The amount of each required quarterly installment under sub. (7) and the date by which the grain dealer must pay each installment.

(c) The penalty that applies under sub. (7) (d) if the grain dealer fails to pay any quarterly installment when due.

126.16 Grain dealers; security. (1) Security required.

(a) A grain dealer shall file security with the department, and maintain that security until the department releases it under sub. (8) (a), if all of the following apply when the department first licenses the grain dealer under s. 126.11:

1. The grain dealer reports more than $500,000 in grain payments under s. 126.11 (9) (a).

2. The grain dealer files an annual financial statement under s. 126.13 (1) (a) and that financial statement shows negative equity.

(b) A grain dealer who reports any deferred payment contract obligations under s. 126.11 (9) (c) or 126.13 (1) (d), other than deferred payment contract obligations to a grain producer or producer agent who permanently waived eligibility to file a default claim under s. 126.70 (1) (b) and (c), shall file security with the department, and maintain that security until the department releases it under sub. (8) (b), unless the grain dealer has positive equity and the grain dealer’s annual financial statement under s. 126.13 (1) shows a debt to equity ratio of not more than 4.0 to 1.0.

(c) 1. In this paragraph, “estimated default exposure” means the sum of the following:

a. Thirty-five percent of the grain dealer’s average monthly payment for the 3 months, during the preceding 12 months, in which the grain dealer made the largest monthly payments for producer grain procured in this state.

b. The grain dealer’s highest total, at any time during the preceding 12 months, of unpaid obligations for producer grain procured in this state under deferred payment contracts.

2. A grain dealer shall file security with the department, and maintain that security until the department releases it under sub. (8) (b), if the grain dealer files an annual financial statement under s. 126.13 (1) that shows negative equity, a current ratio of less than 1.25 to 1.0, or a debt to equity ratio of more than 4.0 to 1.0 and the grain dealer’s estimated default exposure is greater than $20,000,000.

(3) Amount of security. (a) Except as provided in par. (b), a grain dealer who is required to file or maintain security under this section shall at all times maintain security that is at least equal to the sum of the following:

1. Thirty-five percent of the grain dealer’s average monthly payment for the 3 months, during the preceding 12 months, in which the grain dealer made the largest monthly payments for producer grain procured in this state, except that this amount is not required of a contributing grain dealer.

2. The grain dealer’s highest total, at any time during the preceding 12 months, of unpaid obligations for producer grain procured in this state under deferred payment contracts.

(b) A grain dealer who is required to file or maintain security only under sub. (1) (c) shall at all times maintain security equal to the grain dealer’s estimated default exposure, as defined in sub. (1) (c) 1., less $20,000,000.

(4) Form of security. The department shall review, and determine whether to approve, security filed or maintained under this section. The department may approve only the following types of security:

(a) Currency.

(b) A commercial surety bond if all of the following apply:

1. The surety bond is made payable to the department for the benefit of grain producers and producer agents.

2. The surety bond is issued by a person authorized to operate a surety business in this state.

3. The surety bond is issued as a continuous term bond that may be canceled only with the department’s written agreement or upon 90 days’ prior written notice served on the department in person or by certified mail.

4. The surety bond is issued in a form, and subject to any terms and conditions, that the department considers appropriate.

(c) A certificate of deposit or money market certificate if all of the following apply:

1. The certificate is issued or endorsed to the department for the benefit of grain producers and producer agents who deliver grain to the grain dealer.

2. The certificate may not be canceled or redeemed without the department’s written authorization.

3. No person may transfer or withdraw funds represented by the certificate without the department’s written permission.

4. The certificate renews automatically without any action by the department.

5. The certificate is issued in a form, and subject to any terms and conditions, that the department considers appropriate.

(d) An irrevocable bank letter of credit if all of the following apply:

1. The letter of credit is payable to the department for the benefit of grain producers and producer agents.

2. The letter of credit is issued on bank letterhead.

3. The letter of credit is issued for an initial period of at least one year.

4. The letter of credit renews automatically unless at least 90 days before the scheduled renewal date the issuing bank gives the department written notice, in person or by certified mail, that the letter of credit will not be renewed.

5. The letter of credit is issued in a form, and subject to any terms and conditions, that the department considers appropriate.

(5) Department custody of security. The department shall, in its custody, all security filed and maintained under this section. The department shall hold the security for the benefit of grain producers and producer agents who deliver grain to a grain dealer.

(6) Monthly reports. A grain dealer who is required to file or maintain security under this section shall file monthly reports with the department. The grain dealer shall file a report on or before the 10th day of each month, in a form specified by the department. In a monthly report, a grain dealer shall provide information reasonably required by the department, including all of the following:

(a) The grain dealer’s average monthly payment for the 3 months, during the preceding 12 months, in which the grain dealer made the largest monthly payments for producer grain procured in this state.

(b) The grain dealer’s highest total unpaid obligations, at any time during the preceding 12 months, for producer grain procured in this state under deferred payment contracts. If the amount owed on deferred price contracts has not yet been determined, the grain dealer shall estimate the amount based on contract terms and prevailing market prices on the last day of the previous month.

(7) Additional security. (a) The department may, at any time, demand additional security from a grain dealer if any of the following applies:

1. The grain dealer’s existing security falls below the amount required under sub. (3) for any reason, including depreciation in the value of the security filed with the department, an increase in grain payments or grain prices, or the cancellation of any security filed with the department.

2. The grain dealer fails to provide required information that is relevant to a determination of security requirements.
(b) The department shall issue a demand under par. (a) in writing. The department shall indicate why the security is required, the amount of security required, and the deadline date for filing security. The department may not specify a deadline for filing security that is more than 30 days after the date on which the department issues its demand for security.

(c) A grain dealer may request a hearing, under ch. 227, on a demand for security under par. (b). A request for hearing does not automatically stay a security demand.

(d) If a grain dealer fails to comply with the department’s demand for security under this subsection, the grain dealer shall give written notice of that fact to all grain producers and producer agents from whom the grain dealer procures producer grain in this state. If the grain dealer fails to give notice according to this paragraph within 5 days after the deadline for filing security under par. (b) has passed, the department shall promptly notify those grain producers and producer agents by publishing a class 3 notice under ch. 985. The department may also give individual notice to those grain producers or producer agents of whom the department is aware.

(e) If a grain dealer fails to comply with the department’s demand for security under this subsection, the department may do any of the following:
   1. Issue a summary order under s. 126.85 (2) that prohibits the grain dealer from procuring producer grain or requires the grain dealer to pay cash on delivery for all producer grain.
   2. Suspend or revoke the grain dealer’s license.

(8) RELEASING SECURITY. (a) The department may release security filed under sub. (1) (a), except for any amount of security that the grain dealer is required to file because sub. (1) (b) or (c) applies to the grain dealer, if any of the following applies:
   1. The grain dealer reports, for at least 2 consecutive years, no more than $500,000 in annual grain payments under s. 126.11 (9) (a) and the grain dealer pays the quarterly fund assessment that would have been required of the grain dealer if the grain dealer had been a contributing grain dealer on the most recent quarterly installment date under s. 126.15 (7).
   2. The grain dealer’s annual financial statement under s. 126.13 shows positive equity for at least 2 consecutive years and the grain dealer pays the quarterly fund assessment that would have been required of the grain dealer if the grain dealer had been a contributing grain dealer on the most recent quarterly installment date under s. 126.15 (7).
   (b) The department may release security filed under sub. (1) (b), except for any amount of security that the grain dealer is required to file because sub. (1) (a) or (c) applies to the grain dealer, if any of the following applies:
      1. The grain dealer has not had any deferred payment contract obligations since the beginning of the grain dealer’s last completed fiscal year.
      2. The grain dealer files 2 consecutive annual financial statements under s. 126.13 showing that the grain dealer meets the applicable equity requirement and debt to equity ratio under sub. (1) (b).
      (bm) The department may release security filed under sub. (1) (c), except for any amount of security that the grain dealer is required to file because sub. (1) (a) or (b) applies to the grain dealer, if the grain dealer files 2 consecutive financial statements under s. 126.13 showing that the grain dealer no longer has negative equity, a current ratio of less than 1.25 to 1.0, or a debt to equity ratio of more than 4.0 to 1.0.
   (d) The department may release security to the extent that the security exceeds the amount required under sub. (3).
   (e) The department may release security if the grain dealer files alternative security, of equivalent value, that the department approves.
   (f) The department shall release security if the grain dealer is no longer in business and has paid all grain obligations in full.

126.17 Grain dealers; records. (1) RECORDS AND ACCOUNTS. General. A grain dealer shall keep records and accounts of all grain procured and all grain sold or marketed by the grain dealer. A grain dealer shall keep records that are complete, accurate, current, well−organized, and accessible, so that the grain dealer and the department can readily determine all of the following:
   (a) The kinds and amounts of grain procured, the procurement dates, the procurement terms, and the persons from whom the grain dealer procured the grain.
   (b) The kinds and amounts of grain sold or marketed, the sale or marketing dates, the sale or marketing terms, and the persons to whom the grain dealer sold or marketed the grain.

   (f) The terms of purchase, storage, or marketing.
   (g) If the grain dealer procured the grain under a deferred payment contract, the terms of that contract.

(3) RECORDS RETENTION; INSPECTION. (a) A grain dealer shall keep copies of all records required under this section and s. 126.18 (2) for at least 6 years after the records are created.
   (b) A grain dealer shall make records required under this section available to the department for inspection and copying upon request.

   (a) The name of the grain dealer and a statement indicating whether the grain dealer is a corporation.
(b) A permanent business address at which the holder of the receipt can readily contact the grain dealer.
(c) A statement identifying the document as a receipt for grain.

1. The grain dealer pays cash on delivery.
2. The grain dealer receives the grain under a deferred payment contract that complies with s. 126.19.
3. The receipt is clearly identified as a storage receipt.

(1m) Effect of failure to identify receipt. A receipt not clearly identified under sub. (1) (h) is considered a purchase receipt except that, if the grain dealer also operates as a grain warehouse keeper, as defined in s. 126.25 (9), under the same name, a receipt not clearly identified is considered a storage receipt.

(2) GRAIN DEALER’S COPIES. A grain dealer shall keep copies of all receipts issued under sub. (1).

History: 2001 a. 16.

126.19 Grain dealers; deferred payment contracts.
(1) CONTRACT IN WRITING. A grain dealer may not procure grain from any grain producer or producer agent under a deferred payment contract before the contract is reduced to writing and signed by the parties. The grain dealer shall provide a copy of the signed contract to the other party.

(2) CONTENTS OF CONTRACT. A grain dealer may not enter into a deferred payment contract unless the deferred payment contract includes all of the following:

(a) A unique contract identification number.
(b) The type, weight, grade, and quality of grain procured and a statement that price adjustments may apply if delivered grain varies in grade or quality from that identified in the contract.
(c) The price for the grain or, in a deferred price contract, the method and deadline by which the price will be determined.
(d) The date by which the grain dealer agrees to make full payment for the grain, which may not be more than 180 days after the date on which the contract price is established or more than 180 days after the date on which the grain dealer takes custody or control of the grain, whichever is later.

(4) REQUIRED NOTICE. (a) A grain dealer may not enter into a deferred payment contract with a grain producer or producer agent unless the deferred payment contract includes the following statement in clear and conspicuous print immediately above the contract signature line: “This is not a storage contract. The grain dealer (buyer) becomes the owner of any grain that the producer or producer agent (seller) delivers to the grain dealer under this contract. The producer or producer agent relinquishes ownership and control of the grain, and may become an unsecured creditor pending payment.”

(b) A grain dealer may not enter into a deferred payment contract under which a grain producer or producer agent agrees to receive payment for grain more than 120 days after delivering the grain to the grain dealer unless the deferred payment contract clearly and conspicuously discloses that if the grain dealer defaults on payment under the deferred payment contract, any claim filed by the producer or producer agent with the department under s. 126.70 will be disallowed. The department may by rule or order specify the form and content of the disclosure.

(5) DEFERRED PAYMENT CONTRACT ASSESSMENT. From the amount that a grain dealer pays to a grain producer or producer agent under a deferred payment contract, the grain dealer shall deduct a deferred payment contract assessment. The assessment shall equal the total amount owed under the contract before the assessment is deducted, multiplied by the deferred payment assessment rate that applies under s. 126.15 (6) when the contract is made. The grain dealer shall disclose the assessment amount or, if the contract is a deferred price contract, the method by which the assessment amount will be determined, in the written contract under sub. (1).

(a) Accurately determine the weight, grade, or quality using accurate weighing, testing, or grading equipment.
(b) Accurately record the determined weight, grade, or quality.

(2) TIMELY PAYMENT TO PRODUCERS. A grain dealer shall pay for grain when payment is due. A grain dealer may not make payment by nonnegotiable check or note or by check drawn on an account containing insufficient funds.

sell and deliver grain to a grain dealer at an agreed price may wrongfully refuse to deliver that grain according to the contract.

(2) Disclosure of liens and security interests. A grain dealer procuring grain from a grain producer or producer agent may require the grain producer or producer agent to disclose any liens or security interests that apply to the grain. The grain dealer may require the disclosure in writing. History: 2001 a. 16; 2009 a. 320.

126.26 Grain warehouse keepers; licensing.
(1) LICENSE REQUIRED. (a) No grain warehouse keeper may hold at any time more than 50,000 bushels of grain for others without a current annual license from the department. A grain warehouse keeper who has grain warehouses with a combined capacity of more than 50,000 bushels shall obtain a license unless the grain warehouse keeper proves to the department that the grain warehouse keeper holds no more than 50,000 bushels of grain for others at any time.

(b) A license under par. (a) expires on the August 31 following its issuance. No person may transfer or assign a license issued under par. (a).

(2) LICENSE APPLICATION. A person shall apply for a grain warehouse keeper license in writing, on a form provided by the department. The applicant shall provide all of the following:
(a) The applicant’s legal name and any trade name under which the applicant proposes to operate as a grain warehouse keeper.

(b) A statement of whether the applicant is an individual, a corporation, a partnership, a cooperative, or an unincorporated cooperative association, a limited liability company, a trust, or other legal entity. If the applicant is a corporation, a cooperative, or an association, the applicant shall identify each officer of the corporation or cooperative. If the applicant is a partnership, the applicant shall identify each partner.

(c) The mailing address of the applicant’s primary business location and the name of a responsible individual who may be contacted at that location.

(d) The street address and capacity of every grain warehouse that the applicant operates or proposes to operate in this state and the name of a responsible individual who may be contacted at each warehouse.

(e) The combined capacity of all grain warehouses identified under par. (d).

(f) All license fees and surcharges required under sub. (3).

(g) Proof that the applicant is insured as required under s. 126.27, unless the applicant has previously filed proof that remains current. The proof may consist of a certification provided by an insurance company licensed to do business in this state.

(h) A financial statement if required under s. 126.28 (1) and not yet filed.

(i) Other relevant information required by the department.

(3) LICENSE FEES AND SURCHARGES. A person applying for a grain warehouse keeper license shall pay the following fees and surcharges in the amounts that the department specifies by rule:
(a) A nonrefundable basic license fee, which may be based on the number of grain warehouses that the applicant operates.

(b) A grain warehouse inspection fee, which may be based on the number and sizes of the grain warehouses that the applicant operates.

(c) A supplementary inspection fee for each grain warehouse that the applicant operates in excess of one grain warehouse.

(d) A license surcharge if the department determines that, within 365 days before submitting the license application, the applicant operated as a grain warehouse keeper without a license in violation of sub. (1). The applicant shall also pay any license fees, license surcharges, and fund assessments that are still due for the license year in which the applicant violated sub. (1).

(e) A license surcharge if during the preceding 12 months the applicant failed to file an annual financial statement required under s. 126.28 (1) (b) by the applicable deadline.

(f) A license surcharge if a renewal applicant fails to renew a license by the license expiration date of August 31.

(3m) EFFECT OF PAYMENT OF SURCHARGE. Payment of a license surcharge under sub. (3) (d) does not relieve the applicant of any other civil or criminal liability that results from the violation of sub. (1), but does not constitute evidence of any law violation.

(4) LICENSE FOR PART OF YEAR; FEES. A person who applies for an annual grain warehouse keeper license after the beginning of a license year shall pay the full annual fee amounts required under sub. (3).

(5) FEE CREDIT. If the fund balance contributed by grain warehouse keepers exceeds $300,000 on May 31 of any license year, the department shall credit 12.5 percent of the excess amount
against grain warehouse inspection fees charged under sub. (3) (b) to contributing grain warehouse keepers who file timely license renewal applications for the next license year. The department shall credit each contributing grain warehouse keeper on a pro-rated basis, in proportion to the total inspection fees that the warehouse keeper has paid under sub. (3) (b) for the 4 preceding license years.

(6) Fee Statement. The department shall provide, with each license application form, a written statement of all license fees and surcharges required under sub. (3) or the formula for determining them. The department shall specify any fee credit for which the applicant may qualify under sub. (5).

(7) No License without Full Payment. The department may not grant a license under sub. (1) until the applicant pays all license fees and surcharges identified in the department’s statement under sub. (6). The department shall refund a fee or surcharge paid under protest if upon review the department determines that the fee or surcharge is not applicable.

(8) Action Granting or Denying Application. The department shall grant or deny a license application under sub. (2) within 30 days after the department receives a complete application. 126.60 Contributing vegetable contractors; fund assessments. (1) GENERAL. A contributing vegetable contractor shall pay an annual fund assessment for each license year. Except as provided in sub. (5m), the assessment equals $20 or the sum of the following, whichever is greater, unless the department by rule specifies a different assessment:

(a) The vegetable contractor’s current ratio assessment. The current ratio assessment for a license year equals the vegetable contractor’s current ratio assessment rate under sub. (2) multiplied by the amount reported under s. 126.56 (9) (am) in the vegetable contractor’s license application for that license year.

(b) The vegetable contractor’s debt to equity ratio assessment. The debt to equity ratio assessment for a license year equals the vegetable contractor’s debt to equity ratio assessment rate under sub. (4) multiplied by the amount reported under s. 126.56 (9) (am) in the vegetable contractor’s license application for that license year.

(2) CURRENT RATIO ASSESSMENT RATE. A vegetable contractor’s current ratio assessment rate is calculated, at the beginning of the license year, as follows:

(a) If the vegetable contractor has filed an annual financial statement under s. 126.58 and that financial statement shows a current ratio of at least 1.25 to 1.0, the vegetable contractor’s current ratio assessment rate equals the greater of zero or the current ratio assessment factor in sub. (3) (a) multiplied by the following amount:
   1. Subtract 4 from the current ratio.
   2. Divide the amount determined under subd. 1. by 2.
   3. Subtract 0.25 to the amount determined under subd. 8.
   4. Raise the amount determined under subd. 3. to the 3rd power.
   5. Subtract 0.65 from the current ratio.
   6. Divide 0.60 by the amount determined under subd. 5.
   7. Multiply the amount determined under subd. 2. by negative one.
   8. Add the amount determined under subd. 4. to the amount determined under subd. 7.

(b) If the vegetable contractor has filed an annual financial statement under s. 126.58 and that financial statement shows a current ratio of less than 1.25 to 1.0, but greater than 1.1 to 1.0, the vegetable contractor’s current ratio assessment rate equals the current ratio assessment factor in sub. (3) (b) multiplied by the following amount:
   1. Subtract 4 from the current ratio.
   2. Divide the amount determined under subd. 1. by 2.
   3. Multiply the amount determined under subd. 2. by negative one.
4. Raise the amount determined under subd. 3. to the 3rd power.
5. Subtract 0.65 from the current ratio.
6. Divide 0.60 by the amount determined under subd. 5.
7. Raise the amount determined under subd. 6. to the 5th power.
8. Add the amount determined under subd. 4. to the amount determined under subd. 7.
9. Add 0.25 to the amount determined under subd. 8.

(c) If the vegetable contractor has filed an annual financial statement under s. 126.58 and that financial statement shows a current ratio of less than or equal to 1.1 to 1.0, the vegetable contractor’s current ratio assessment rate equals the current ratio assessment factor in sub. (3) (b) multiplied by 7.512617.

(d) If the vegetable contractor has not filed an annual financial statement under s. 126.58, the vegetable contractor’s current ratio assessment rate equals the current ratio assessment factor in sub. (3) (b) multiplied by 3.84961.

(3) CURRENT RATIO ASSESSMENT FACTOR. (a) A vegetable contractor’s current ratio assessment factor under sub. (2) (a) is 0.00048, except as follows:
1. For the vegetable contractor’s 4th and 5th consecutive full license years as a contributing vegetable contractor, the vegetable contractor’s current ratio assessment factor is 0.00029.
2. For the vegetable contractor’s 6th or higher consecutive full license year as a contributing vegetable contractor, the vegetable contractor’s current ratio assessment factor is zero.
(b) A vegetable contractor’s current ratio assessment factor under sub. (2) (b) to (d) is 0.00072, except as follows:
1. For the vegetable contractor’s 4th and 5th consecutive full license years as a contributing vegetable contractor, the vegetable contractor’s current ratio assessment factor is 0.00058.
2. For the vegetable contractor’s 6th or higher consecutive full license year as a contributing vegetable contractor, the vegetable contractor’s current ratio assessment factor is 0.00035.

(4) DEBT TO EQUITY RATIO ASSESSMENT RATE. A vegetable contractor’s debt to equity ratio assessment rate for a license year is calculated, at the beginning of the license year, as follows:
(a) If the vegetable contractor has filed an annual financial statement under s. 126.58 and that financial statement shows positive equity and a debt to equity ratio of not more than 4.0 to 1.0, the vegetable contractor’s debt to equity ratio assessment rate equals the greater of zero or the debt to equity ratio assessment factor in sub. (5) (a) multiplied by the following amount:
  1. Subtract 4 from the debt to equity ratio.
  2. Divide the amount determined under subd. 1. by 4.
  3. Raise the amount determined under subd. 2. to the 3rd power.
  4. Subtract 1.85 from the debt to equity ratio.
  5. Divide the amount determined under subd. 4. by 2.5.
  6. Raise the amount determined under subd. 5. to the 7th power.
  7. Add the amount determined under subd. 3. to the amount determined under subd. 6.
  8. Add one to the amount determined under subd. 7.
  9. If the vegetable contractor has filed an annual financial statement under s. 126.58 and that financial statement shows negative equity or a debt to equity ratio of at least 6.0 to 1.0, the vegetable contractor’s debt to equity ratio assessment rate equals the debt to equity ratio assessment factor in sub. (5) (b) multiplied by 35.859145.
(b) A vegetable contractor’s debt to equity ratio assessment factor under sub. (4) (a) to (d) is 0.000135, except as follows:
  1. For the vegetable contractor’s 4th and 5th consecutive full license years as a contributing vegetable contractor, the vegetable contractor’s debt to equity ratio assessment factor is 0.00008.
  2. For the vegetable contractor’s 6th or higher consecutive full license year as a contributing vegetable contractor, the vegetable contractor’s debt to equity ratio assessment factor is 0.0001.

(5) DEBT TO EQUITY RATIO ASSESSMENT FACTOR. (a) A vegetable contractor’s debt to equity ratio assessment factor under sub. (4) (a) is 0.000135, except as follows:
  1. For the vegetable contractor’s 4th and 5th consecutive full license years as a contributing vegetable contractor, the vegetable contractor’s debt to equity ratio assessment factor is 0.00008.
  2. For the vegetable contractor’s 6th or higher consecutive full license year as a contributing vegetable contractor, the vegetable contractor’s debt to equity ratio assessment factor is 0.0001.

(5m) REDUCED ASSESSMENT FOR CERTAIN VEGETABLE CONTRACTORS FILING SECURITY. If a vegetable contractor files security under s. 126.61 (1) (b), the vegetable contractor’s assessment is reduced by an amount determined under sub. (1) by the amount determined under par. (a).

(6) QUARTERLY INSTALLMENTS. (a) A contributing vegetable contractor shall pay the vegetable contractor’s annual fund assessment in equal quarterly installments that are due as follows:
  1. The first installment is due on March 1 of the license year.

(b) A contributing vegetable contractor may prepay any of the quarterly installments under par. (a).
(c) A contributing vegetable contractor who applies for an annual license after the beginning of a license year shall pay the full annual fund assessment required under this section. The vegetable contractor shall pay, with the first quarterly installment that becomes due after the day on which the department issues the license, all of that year’s quarterly installments that were due before that day.
(d) A contributing vegetable contractor who fails to pay the full amount of any quarterly installment when due shall pay, in addition to that installment, a late payment penalty of $50 or 10 percent of the overdue installment amount, whichever is greater.
NOTICE OF ANNUAL ASSESSMENT AND QUARTERLY INSTALLMENTS. When the department issues an annual license to a contributing vegetable contractor, the department shall notify the vegetable contractor of all of the following:

(a) The amount of the vegetable contractor’s annual fund assessment under this section.

(b) The amount of each required quarterly installment under sub. (6) and the date by which the vegetable contractor must pay each installment.

(b) A vegetable contractor who is required to file or maintain security only under sub. (1) (b) shall at all times maintain security equal to the vegetable contractor’s estimated default exposure, as defined in sub. (1) (b) 1., less $20,000,000.

(4) FORM OF SECURITY. The department shall review, and determine whether to approve, security filed under this section. The department may approve only the following types of security:

(d) If a vegetable contractor fails to comply with the department’s security demand under this subsection, the vegetable contractor shall give written notice of that fact to all vegetable producers and producer agents from whom the vegetable contractor procures processing vegetables. If the vegetable contractor fails to give accurate notice under this paragraph within 5 days after the security filing deadline under par. (b) To put a deferred payment contract to a vote of vegetable producers, the vegetable contractor shall give written notice to all vegetable producers in this state from whom the vegetable contractor procured the same type of processing vegetables during the preceding license year. In the notice, the vegetable contractor shall include a copy of the proposed contract, shall announce a meeting at which the vegetable producers will be asked to vote on the proposed contract, and shall include a mail ballot by which a vegetable producer may vote without attending the meeting. (c) Specify, for each allowed claim, the amount that the department is authorized to pay under s. 126.71.
(d) Specify the method, under s. 126.71, by which the department will pay the authorized amounts under par. (c).
(e) Explain a claimant’s right under s. 126.87 (4) to seek court recovery of that portion of an allowed claim that is not paid by the department.
(f) Specify a date by which the contractor or claimant may file written objections to the proposed decision.
(g) Specify any further actions required of a claimant, including any further actions required to obtain payment under a trade credit insurance policy or other contingent financial backing under s. 126.06.

(7) FINAL DECISION IF NO OBJECTIONS. If no contractor or claimant files a timely written objection to the proposed decision under sub. (6), the department may issue the proposed decision as the department’s final decision in the recovery proceeding, without further notice or hearing. The department shall mail or deliver a copy of the final decision to the contractor and each claimant.

(8) OBJECTIONS TO PROPOSED DECISION, NOTICE, HEARING, AND FINAL DECISION. (a) If a contractor or claimant files a timely written objection to the proposed decision under sub. (6), the department shall follow applicable contested case procedures under ch. 227. The department may hear all objections in a single proceeding. At the conclusion of the contested case proceeding, the department shall issue a final decision affirming or modifying the proposed decision under sub. (6).

(b) The department may issue a final decision under sub. (7) related to default claims that are not affected by objections under par. (a), regardless of whether the department has completed the contested case proceeding under par. (a).

126.71 Paying default claims. (1) CLAIMS AGAINST CONTRIBUTING CONTRACTOR. Except as provided in sub. (2) or (3), the department shall pay from the appropriate sources under s. 126.72 the following default claim amounts:

(a) For each default claim allowed under s. 126.70 against a grain dealer or milk contractor who was a contributing contractor when the default occurred:

1. Eighty percent of the first $60,000 allowed.
2. Seventy–five percent of any amount allowed in excess of $60,000.

(b) For each default claim allowed under s. 126.70 against a grain warehouse keeper who was a contributing contractor when the default occurred, 100 percent of the first $100,000 allowed.

(c) For each default claim allowed under s. 126.70 against a vegetable contractor who was a contributing contractor when the default occurred:

1. Ninety percent of the first $40,000 allowed.
2. Eighty–five percent of the next $40,000 allowed.
3. Eighty percent of the next $40,000 allowed.
4. Seventy–five percent of any amount allowed in excess of $120,000.

(1m) WHEN DEFAULT OCCURS. For the purposes of this chapter, a default occurs on the date on which payment or delivery becomes overdue.

(2) CLAIMS AGAINST CONTRACTOR WHO HAS FILED SECURITY. If the department allows default claims under s. 126.70 against a contractor who has security on file with the department, the department shall convert that security and use the proceeds as follows:
(a) If the contractor was not a contributing contractor when the default occurred, the department shall use the security proceeds to pay the full amount of the allowed claims, except that, if the security is not adequate to pay the full amount of the allowed claims, the department shall pay claimants on a prorated basis in proportion to their allowed claims.

(b) If the contractor was a contributing contractor when the default occurred, the department shall use the security proceeds to reimburse the sources under s. 126.72 from which the department makes any claim payment under sub. (1). If the security amount exceeds the amount payable under sub. (1) from the sources under s. 126.72, the department shall use the remaining security proceeds to pay the balance of the allowed claims. If the security amount is not adequate to pay the full remaining balance, the department shall pay claimants on a prorated basis in proportion to their allowed claims.

(c) Notwithstanding par. (b), if the contractor was a contributing contractor when the default occurred, the department may, at its discretion, pay claims directly from security proceeds rather than from a fund source under s. 126.72. If the department acts under this paragraph, the department shall first pay claims in the amounts provided in sub. (1). If the security amount exceeds the amount payable under sub. (1) from the sources under s. 126.72, the department shall use the remaining security proceeds to pay the balance of the allowed claims. If the security amount is not adequate to pay the full remaining balance, the department shall pay claimants on a prorated basis in proportion to their allowed claims.

(3) PAYMENT RESTRICTIONS. (a) The department may not pay any portion of the following from any source identified in s. 126.72:

4. A default claim allowed against a contractor who was not a contributing contractor when the default occurred.

5. A default claim allowed against a vegetable contractor who is a processing potato buyer, as defined in s. 126.55 (10r), if the default claim is related to a default on an obligation that was outstanding when the processing potato buyer’s participation in the fund became effective under s. 126.595 (2).

(b) The department may not pay any default claim under this chapter, except as provided in sub. (1) or (2).

(c) If the total amount of default claims exceeds the amount available under s. 126.72, the department shall prorate the available amount among the eligible claimants in proportion to the amount of their allowed claims.

(4) EFFECT OF PAYMENT. A claimant who accepts payment under sub. (1) or (2) releases his or her claim against the contractor to the extent of the payment. A payment under sub. (1) or (2) does not prevent a claimant from recovering the balance of an allowed claim directly from the contractor.

126.72 Claims against contributing contractor; payment sources. (1) PRODUCER SECURITY FUND. From the appropriation under s. 20.115 (1) (w), the department shall make payment authorized under s. 126.71 (1), up to the deductible amount in sub. (3).

(2) PROCEEDS OF CONTINGENT FINANCIAL BACKING. The department, at the direction of the secretary of agriculture, trade and consumer protection, shall draw on the contingent financial backing acquired under s. 126.06 to make payments authorized under s. 126.71 (1), to the extent that those payments exceed the deductible amount in sub. (3). If the contingent financial backing is in the form of a trade credit insurance policy that appears to cover the authorized payments, the department shall file a claim against the policy.

(3) DEDUCTIBLE AMOUNT. The deductible amount, for purposes of subs. (1) and (2), is 60 percent of the cash balance in the agricultural producer security fund on the last day of the month preceding the month in which the default occurs.

126.73 Reimbursing payments. (1) GENERALLY. Except as provided in sub. (2) or (3), the department may demand and collect from a contractor any claim amounts that the department pays under s. 126.72 (1) or under s. 126.72 (2) with the proceeds of contingent financial backing under s. 126.06 (1) because of the contractor’s default.

(2) BOND PAYMENTS. A bond surety may demand and collect, from a contractor, any claim amounts that the bond surety pays to the department under s. 126.72 (2) because of the contractor’s default. The bond surety shall provide the department with a copy of each demand under this subsection.

(3) TRADE CREDIT INSURANCE PAYMENTS. If the department files a claim against a trade credit insurance policy under s. 126.72 (2) and obtains and uses proceeds from the insurance policy to make payments authorized under s. 126.72 (2), the trade credit insurer may demand and collect the amount of those payments from the defaulting contractor.

126.82 **AGRICULTURAL PRODUCER SECURITY**

(a) A contractor fails to pay an amount owed under s. 126.73 within 60 days after the contractor receives a written demand for payment from the department or other person to whom payment is due under s. 126.73.

(b) A hearing request under par. (a) does not automatically stay a summary order. The department may stay a summary order pending hearing.

126.86 **License actions.**

1. The department may, without prior notice or hearing, summarily suspend, revoke, or impose conditions on a license held by a contractor if the department finds that any of the conditions identified in s. 126.85 (2) exist or otherwise finds that summary action is necessary to prevent a clear and imminent threat of harm to persons protected under this chapter.

2. A contractor who is the subject of a summary action under par. (a) may, within 10 days after receiving notice of that action, request a hearing on the action. The department shall hold an informal hearing as soon as possible after receiving a hearing request, but not later than 10 days after receiving the hearing request, unless the contractor waives the informal hearing or agrees to hold it at a later date. If the matter is not resolved at the informal hearing, the department shall hold a contested case hearing under ch. 227 as soon as reasonably possible.

In any court action under this subsection, the claimant may recover costs including all reasonable attorney fees, notwithstanding s. 814.04 (1). This subsection does not limit any other legal cause of action that the claimant may have against the contractor.
