If, at any time thereafter, the apprentice leaves the employment of the licensed funeral director whose service the apprentice has entered, the licensed funeral director shall give the apprentice an affidavit showing the length of time served as an apprentice with that employer, and the work done in detail, which affidavit shall be filed with the examining board and made a matter of record in that office. If the apprentice thereafter enters the employment of another licensed funeral director in this state, the applicant shall forthwith report such employment to the examining board.

(b) All apprentices under this chapter shall be paid at least the minimum wage in effect in this state.

The reports shall contain the information required by the examining board. Failure to submit the required reports shall constitute justification for termination of the apprenticeship.

(e) The semiannual report must show the number of hours served by the apprentice and the number of bodies the apprentice has assisted in embalming, or otherwise prepared for burial or disposition during such period, the number of funeral services at which the apprentice has assisted, and give such other information as may be required by the examining board. The data contained in the report shall be certified to as correct by the licensed funeral director under whom the apprentice has served during such period.
(2) The term of a registered apprentice shall be recognized only when given employment in a funeral establishment under the personal supervision of a licensed funeral director.

(c) Only one funeral director apprenticeship shall be recognized by the examining board at any one funeral establishment in a current year that has had less than 150 funeral services or prepared less than 150 bodies for burial or shipment during the preceding year.

(d) The examining board may recognize a 2nd funeral director apprenticeship at a funeral establishment during the current year that has had 150 funeral services or more and has prepared 150 bodies or more for burial or shipment during the preceding year, provided that full-time employment is given to at least 2 licensed funeral directors at such funeral establishment.

This work must all have been done within 4 years from the date of registering as an apprentice, but such time may be extended by the examining board for good cause shown, not to exceed one additional year. The provisions of this section shall be suspended for such period as a registered apprentice may be an active member of the military or naval forces of the United States.

(3) In all applications for licenses as funeral directors under this chapter, the eligibility of the applicant to take the examination shall be determined by the records filed with the examining board.

(4) The examining board may limit, suspend or revoke a certificate of apprenticeship, or reprimand an apprentice, for violation of any provision of this chapter.

(5) An apprentice who has allowed a certificate of apprenticeship to lapse or who has had an apprenticeship suspended or revoked must, within one year after such lapse or suspension or revocation make application for reregistration, but not more than 2 such reregistrations shall be allowed by the examining board. The examining board may, at its discretion, allow an apprentice credit under a registration for the time actually served under a previous registration; provided, that if the previous registration has been suspended or revoked for cause, not more than 75 percent of the time previously served shall be credited on the reregistration.

(6) A funeral director in charge of the funeral establishment shall have full charge, control, and supervision of all funeral directing and embalming services at the funeral establishment, and that funeral director shall ensure that the funeral establishment operates in compliance with this chapter and rules promulgated by the examining board.

445.11 Register; change of address. The register shall be available for purchase at cost.

(3) No licensed funeral director or operator of a funeral establishment may, directly or indirectly, solicit a funeral service or the right to prepare a dead human body for burial or transportation either before or after death has occurred, or pay or cause to be paid any sum of money or other valuable consideration for the securing of the right to do such work.
