(3) PERMITTING. No person may install any structure within the affected area without a permit from a political subdivision in which any portion of the route described in sub. (2) is located. A permit under this subsection shall require the permittee, upon request, to remove any obstruction to the use of the route described in sub. (2) by a high-wide load within 5 days notice without cost to the user of the route for a high-wide load.

(4) PROHIBITED ACTIONS. After the effective date of this subsection .... [LRB inserts date], no person may take any action that would make any portion of the affected area permanently unavailable for use by a high-wide load.

(4m) REMOVAL OF OBSTRUCTIONS. (a) A person who intends to use the route described in sub. (2) for a high-wide load shall, at least 8 days before the intended use, notify a political subdivision in which any portion of the route is located and all owners of conflicting obstructions to the use of the route by a high-wide load of this intent and the date on which the person intends to use the route.

(b) The owner of a conflicting obstruction to the use of the route described in sub. (2) by a high-wide load

shall remove the obstruction before the date provided in the notice under par. (a). No person may replace a conflicting obstruction removed under this paragraph until the use of the route for which the removal was required has been completed or the person who provided the notice under par. (a) notifies the owner of the obstruction that the obstruction may be replaced.

(5) LOCAL COOPERATION. (a) The city of Milwaukee shall consult with all political subdivisions in which any portion of the route described in sub. (2) is located before designating a temporary route under sub. (6).

(c) Political subdivisions in which any portion of the route described in sub. (2) is located shall attempt to reach agreements among themselves and with persons using the route for high-wide loads regarding the allocation of costs and provision of services related to removing permanent structures that interfere with the use of any portion of the affected area by high-wide loads.

(d) Political subdivisions in which any portion of the route described in sub. (2) is located shall attempt to reach agreements among themselves and with persons using the route for high-wide loads to timely provide traffic officer escorts for persons using the route for high-wide loads.

(6) TEMPORARY ROUTE CHANGES. The city of Milwaukee may designate temporary changes to the route described in sub. (2). Subsection (4) does not apply to a highway temporarily designated under this subsection.

(7) OTHER LAW. This section does not affect the limitations on size, weight, and load under ch. 348.
