Analysis by the Legislative Reference Bureau

VOTING PROCEDURES FOR MILITARY AND OVERSEAS VOTERS

This substitute amendment modifies current law regarding the voting
procedures for military and overseas electors so that the law is in substantial
compliance with the federal Uniformed and Overseas Citizens Absentee Voting Act.
The substitute amendment also modifies current law so that an individual signing
the witness certification for an absentee ballot cast by a military elector or overseas
elector need not be a United States citizen.
The substitute amendment allows all overseas electors to receive absentee ballots electronically, regardless of whether such electors are considered permanently or temporarily overseas. Under the substitute amendment, an overseas elector is a U.S. citizen who is residing outside of the United States, who is not disqualified from voting, who has attained or will attain the age of 18 by the date of an election at which the citizen proposes to vote, who was last domiciled in this state or whose parent was last domiciled in this state immediately prior to the parent’s departure from the United States, and who is not registered to vote or voting in any other state, territory, or possession.

**Timing for holding special elections**

Under this substitute amendment, no special election for the office of state senator or representative to the assembly may be held after the spring election in the year in which a regular election is held to fill that seat. Under current law, any vacancy in the office of state senator or representative to the assembly occurring before the second Tuesday in May in the year in which a regular election is held to fill that seat must be filled as promptly as possible by special election.

The substitute amendment also provides that the date for a special election may not be less than 124 nor more than 154 days from the date of the governor’s order calling for the special election and that the primary must be held on the day that is eight weeks before the day of the special election. Current law provides that the date for a special election may not be less than 62 nor more than 77 days from the date of the governor’s order calling for the special election and that the primary must be held on the day that is four weeks before the day of the special election.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

An elector may receive an absentee ballot only if the elector is a military elector or an overseas elector under s. 6.34 (1) and has filed a valid application for the ballot as provided in s. 6.86 (1). If the clerk transmits an absentee ballot to a military or overseas elector electronically, the clerk shall also transmit a facsimile or electronic copy of the text

together with instructions prescribed by the commission. The instructions shall
require the military or overseas elector to make and subscribe to the certification as
required under sub. (4) (b) and to enclose the absentee ballot in a separate envelope

SECTION 20.  6.87 (4) (a) (intro.) and 1. of the statutes are consolidated,
renumbered 6.87 (4) (a) and amended to read:

6.87 (4) (a) In this subsection: 1. “Military, “military elector” has the meaning
given in s. 6.34 (1) (a).

SECTION 21.  6.87 (4) (a) 2. of the statutes is repealed.

SECTION 22.  6.87 (4) (b) 1. of the statutes is amended to read:

6.87 (4) (b) 1. Except as otherwise provided in s. 6.875, the an elector voting
absentee, other than a military elector or an overseas elector, shall make and
subscribe to the certification before one witness who is an adult U.S. citizen. A
military elector or an overseas elector, regardless of whether the elector qualifies as
a resident of this state under s. 6.10, voting absentee shall make and subscribe to the
certification before one witness who is an adult but who need not be a U.S. citizen.
The absent elector, in the presence of the witness, shall mark the ballot in a manner
that will not disclose how the elector’s vote is cast. The elector shall then, still in the
presence of the witness, fold the ballots so each is separate and so that the elector conceals the markings thereon and deposit them in the proper envelope. If a consolidated ballot under s. 5.655 is used, the elector shall fold the ballot so that the elector conceals the markings thereon and deposit the ballot in the proper envelope. If proof of residence under s. 6.34 is required and the document enclosed by the elector under this subdivision does not constitute proof of residence under s. 6.34, the elector shall also enclose proof of residence under s. 6.34 in the envelope. Except as provided in s. 6.34 (2m), proof of residence is required if the elector is not a military elector or an overseas elector and the elector registered by mail or by electronic application and has not voted in an election in this state. If the elector requested a ballot by means of facsimile transmission or electronic mail under s. 6.86 (1) (ac), the elector shall enclose in the envelope a copy of the request which bears an original signature of the elector. The elector may receive assistance under sub. (5). The return envelope shall then be sealed. The witness may not be a candidate. The envelope shall be mailed by the elector, or delivered in person, to the municipal clerk issuing the ballot or ballots. If the envelope is mailed from a location outside the United States, the elector shall affix sufficient postage unless the ballot qualifies for delivery free of postage under federal law. Failure to return an unused ballot in a primary does not invalidate the ballot on which the elector’s votes are cast. Return of more than one marked ballot in a primary or return of a ballot prepared under s. 5.655 or a ballot used with an electronic voting system in a primary which is marked for candidates of more than one party invalidates all votes cast by the elector for candidates in the primary.

SECTION 23. 6.88 (1) of the statutes is amended to read:
6.88 (1) When an absentee ballot arrives at the office of the municipal clerk, or at an alternate site under s. 6.855, if applicable, the clerk shall enclose it, unopened, in a carrier envelope which shall be securely sealed and endorsed with the name and official title of the clerk, and the words “This envelope contains the ballot of an absent elector and must be opened in the same room where votes are being cast at the polls during polling hours on election day or, in municipalities where absentee ballots are canvassed under s. 7.52, stats., at a meeting of the municipal board of absentee ballot canvassers under s. 7.52, stats.”. If the elector is a military elector, as defined in s. 6.34 (1) (a), or an overseas elector, as defined in s. 6.34 (1) (b) regardless of whether the elector qualifies as a resident of this state under s. 6.10, and the ballot was received by the elector by facsimile transmission or electronic mail and is accompanied by a separate certificate, the clerk shall enclose the ballot in a certificate envelope and securely append the completed certificate to the outside of the envelope before enclosing the ballot in the carrier envelope. The clerk shall keep the ballot in the clerk’s office or at the alternate site, if applicable until delivered, as required in sub. (2).

SECTION 24. 6.97 (1) of the statutes is amended to read:

6.97 (1) Whenever any individual who is required to provide proof of residence under s. 6.34 in order to be permitted to vote appears to vote at a polling place and cannot provide the required proof of residence, the inspectors shall offer the opportunity for the individual to vote under this section. Whenever any individual, other than a military elector, as defined in s. 6.34 (1) (a), or an overseas elector, as defined in s. 6.34 (1) (b), or an elector who has a confidential listing under s. 6.47 (2), appears to vote at a polling place and does not present proof of identification under s. 6.79 (2), whenever required, the inspectors or the municipal clerk shall similarly
offer the opportunity for the individual to vote under this section. If the individual
wishes to vote, the inspectors shall provide the elector with an envelope marked
“Ballot under s. 6.97, stats.” on which the serial number of the elector is entered and
shall require the individual to execute on the envelope a written affirmation stating
that the individual is a qualified elector of the ward or election district where he or
she offers to vote and is eligible to vote in the election. The inspectors shall, before
giving the elector a ballot, write on the back of the ballot the serial number of the
individual corresponding to the number kept at the election on the poll list or other
list maintained under s. 6.79 and the notation “s. 6.97”. If voting machines are used
in the municipality where the individual is voting, the individual’s vote may be
received only upon an absentee ballot furnished by the municipal clerk which shall
have the corresponding number from the poll list or other list maintained under s.
6.79 and the notation “s. 6.97” written on the back of the ballot by the inspectors
before the ballot is given to the elector. When receiving the individual’s ballot, the
inspectors shall provide the individual with written voting information prescribed
by the commission under s. 7.08 (8). The inspectors shall indicate on the list the fact
that the individual is required to provide proof of residence or proof of identification
under s. 6.79 (2) but did not do so. The inspectors shall notify the individual that he
or she may provide proof of residence or proof of identification to the municipal clerk
or executive director of the municipal board of election commissioners. The
inspectors shall also promptly notify the municipal clerk or executive director of the
name, address, and serial number of the individual. The inspectors shall then place
the ballot inside the envelope and place the envelope in a separate carrier envelope.

SECTION 25. 7.15 (1) (cm) of the statutes is amended to read:
