Hi Mary,

For the amendment to AB 54, could we make it an assembly amendment instead of a senate amendment?

Thanks!

Subject: Amendments for SB 23/AB 54

Hi Mary,

I need to get a simple amendment drafted for these bills to clarify DATCP can consider limited supplies of specific varieties of potatoes. On page 2 line 9 after "potatoes" the amendment should add "of a specific variety or genotype". Let me know if you have any questions.

Thank you,

Tim
