**ASSEMBLY BILL 524**

on the form, the person must be fined not less than \$500 nor more than \$10,000 and may be imprisoned for not more than nine months. This bill increases the penalty to a Class H felony if the false information regards whether the person is purchasing the firearm with the purpose or intent of transferring the firearm to a person who is prohibited from possessing a firearm. This bill authorizes the Department of Justice to prosecute the violation.

This bill also creates an affirmative defense to straw purchasing crimes if the defendant has ever filed a petition for a domestic abuse injunction or a child abuse injunction against the person for whom the defendant was furnishing, purchasing, or possessing the firearm or for whom the defendant provided false information on a firearm form.

Under this bill, a person is subject to a mandatory minimum period of confinement in prison of four years if the person is convicted of illegally possessing a firearm or convicted of another crime involving a firearm and, within five years prior to that conviction, he or she had been convicted of committing either three misdemeanors or one felony. This mandatory minimum sentence requirement expires on July 1, 2022.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
