Thank you! That sounded just fine to Rep. Goyke.

I do have one additional request for AB 87: An amendment that that maintains the 3 year cap to be placed at a Type I facility. Could that be drafted as well?

Thank you!

OK Ryan, I drafted the amendment to AB 87 so that no sanction that is 30 days or less will count toward the overall 3-year limit. If you want something different than that, let me know soon. You should get all of these tomorrow morning.

Elisabeth and Elizabeth-

I hope you both are well. Rep. Goyke asked that I forward the amendment requests below to you for drafting in advance of our Executive Session on these bills next Tuesday.

Could these be forwarded for drafting? I am hoping to have them submitted by COB tomorrow.

Thank you so very much for all of your help.

AB 87

This Amendment would allow DOC to incarcerate a juvenile on the SOJ program for sanctions up to 30 days even after the 3 years of incarceration has been used. Under this amendment any sanction holds against the juvenile that is under 30 days would not count against the juvenile's 3 year total.

AB 90

Amendment 1

The expansion to include all Felonies for the SJOP would only be eligible if the felony is the juvenile's second felony. (thus the SJOP would be for repeat felonies)

Amendment 2

Eliminate Felony Retail Theft from the list of felonies that would qualify for SJOP

Amendment 3

Eliminate Felony Theft from the list of felonies that would qualify for SJOP

Amendment 4

Eliminate Felony Possession of THC (961.41(3g)) from the list of felonies that would qualify for SJOP
