1 AN ACT to amend 347.50 (1); and to create 218.0152 (4), 347.375 and 347.50 (1g)
2 of the statutes; relating to: motor vehicle data recorders and providing a

Analysis by the Legislative Reference Bureau

This bill regulates the use of vehicle data recorders (VDRs) in motor vehicles. This bill prohibits, with certain exceptions, any person from accessing, collecting, or transferring information stored on a VDR installed in a motor vehicle unless the person discloses the intended use of the information and receives the consent of an owner of the vehicle. A person who violates the disclosure requirements or the prohibition on access, collection, or transfer of VDR information may be required to forfeit not less than \$200 nor more than \$2,000.

Also under this bill, the Department of Transportation must require a statement as to whether the vehicle is equipped with a VDR to be displayed on any guide DOT requires to be displayed on used motor vehicles displayed or offered for sale by a motor vehicle dealer.

For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

4 SECTION 1. 218.0152 (4) of the statutes is created to read:

1 218.0152 (4) Any guide required by the department of transportation to be
2 displayed on used motor vehicles displayed or offered for sale by a motor vehicle
3 dealer shall include a statement that the vehicle may be equipped with a vehicle data
4 recorder, as defined in s. 347.375 (1) (a). The department may not revise a guide
5 referenced in this subsection solely to include the statement required under this
6 subsection, but shall require the statement to be included when a guide referenced
7 in this subsection is otherwise revised in the normal course of departmental
8 business.

9 **SECTION 2.** 347.375 of the statutes is created to read:
