And do you want that to apply just to a referendum that rescinds a wheel tax? Is there any need to delay the effective date of a new wheel tax, in the event that a municipality does approve one?

Yes. Not the effective date of the bill, but the effective date of the referendum.

To clarify, you want a decision to rescind a wheel tax, pursuant to 341.35 (1m) (b), to be effective 90 days after the referendum question is not approved?

Zachary,

We would like to draft an amendment to LRB-4896/1, AB 361, SB 635. In light of the DOT fiscal, we would like to provide for a 90 day window for the effective date. There is a public hearing on the bill in the Assembly Ways and Means Committee on Thursday, so we would like to have it available for that meeting. Please send the amendment to Sen. Nass as well.

Thank you so much,
