AN ACT ...; **relating to:** issuance of sturgeon spearing licenses via raffle by the
Sturgeons for Tomorrow organization.

Analysis by the Legislative Reference Bureau

This bill requires the Department of Natural Resources to issue five certificates for sturgeon spearing licenses to an organization known as Sturgeons for Tomorrow, to be awarded by the organization as prizes at a raffle.

Under current law, DNR is required to issue a sturgeon spearing license to any person applying for the license who is at least 12 years old. Each license issued by DNR is required to be accompanied by sturgeon carcass tags in a quantity corresponding with the season bag limit for spearing lake sturgeon. A sturgeon spearing license authorizes the spearing of lake sturgeon, subject to any limits established by DNR, only during the open season for spearing sturgeon.

This bill requires DNR to issue five certificates for sturgeon spearing licenses to an organization known as Sturgeons for Tomorrow, if the organization applies for the certificates. The bill authorizes the organization to award the certificates as prizes at a raffle. If the person who receives a certificate presents the certificate to DNR with the appropriate required fees, the bill requires the department to issue the person a sturgeon spearing license and applicable carcass tags. A person may be issued only one sturgeon spearing license under this program in his or her lifetime. This bill also requires the organization to use the proceeds from the raffle to further sturgeon management and research.
