Subject: redraft 2015 SB 60/AB 331, re: apple and pear cider tastings

Good morning, Aaron.

Senator Miller and Rep. Kooyenga would like SB 60 redrafted for introduction. We ask that in the LRB analysis, please reference both apple and pear cider, since that is the meaning of cider in S.139.01(2m).

We would like both a Senate Bill Jacket and an Assembly Bill Jacket.

Thank you very much.

2017 BILL

SAV

1 AN ACT *to create* 125.53 (3) of the statutes; **relating to:** taste samples of
2 fermented apple or pear cider provided by a winery.

Analysis by the Legislative Reference Bureau

This bill allows a Wisconsin winery to provide taste samples of cider produced by another Wisconsin winery.

Current law defines "wine" to include products that contain at least 0.5 percent but not more than 21 percent alcohol by volume (ABV) and that are obtained from the fermentation of grapes or other fruits, including fermented apple or pear cider. A winery permit authorizes the manufacture and bottling of wine on the winery premises for sale to wholesalers and the provision of taste samples on the winery premises of wine manufactured on the premises.

This bill authorizes a winery to provide, on the winery premises and without charge, taste samples of cider manufactured by another Wisconsin winery. For purposes of the bill, "cider" means fermented apple or pear cider with an alcohol content not exceeding 7 percent ABV. The bill also allows a Wisconsin winery to provide cider to another Wisconsin winery for use by the other winery in providing taste samples.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 SECTION 1. 125.53 (3) of the statutes is created to read:
