### *Analysis by the Legislative Reference Bureau*

Under current law, no person may operate a vehicle in any state park or in certain other recreational areas on state land unless the vehicle displays a vehicle admission receipt. Current law requires the Department of Natural Resources to issue an annual vehicle admission receipt that is valid for the calendar year for which it is issued. Under this bill, an annual vehicle admission receipt must state the date on which it is issued and is valid for one year after that date.

Under current law, DNR is required to issue an annual state trail pass that authorizes admission to a state trail. Current law provides that an annual state trail pass is valid for the calendar year for which it is issued. Under this bill, an annual state trail pass must state the date on which it is issued and is valid for one year after that date.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
