**Subject:** FW: State Park Vehicle Admission Pass Bill

Hi Zach,

Apologies, but I missed something from Gary. He would like vehicle admission passes *as well as* state trail passes to be valid for one year from date of purchase. I apologize for the error. Thank you.

**Subject:** State Park Vehicle Admission Pass Bill

Hi Zach,

Gary would like a bill drafted that changes the vehicle admission passes for state parks from being valid for the calendar year in which it was bought to being valid for one year from the date of purchase. For example, if a vehicle admission pass is currently bought on October 11, 2017, it is only valid until December 31, 2017. We would like a vehicle admission pass that is bought October 11, 2017 to be valid until October 11, 2018. We would the draft by the end of the day tomorrow, if that is possible. Please let me know if this should be directed elsewhere. Thank you!

***Analysis by the Legislative Reference Bureau***

Under current law, no person may operate a vehicle in any state park or in certain other recreational areas on state land unless the vehicle displays a vehicle admission receipt. Current law requires the Department of Natural Resources to issue an annual vehicle admission receipt that is valid for the calendar year for which it is issued. Under this bill, an annual vehicle admission receipt must state the date on which it is issued and is valid for one year after that date.

Under current law, DNR is required to issue an annual state trail pass that authorizes admission to a state trail. Current law provides that an annual state trail pass is valid for the calendar year for which it is issued. Under this bill, an annual state trail pass must state the date on which it is issued and is valid for one year after that date. ✓
