

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-3737/P2
EHS:emw

November 3, 2017

I added some language to the requested prohibition on DNR informing or supporting federal law enforcement to make it clear it is relating to the enforcement of federal law regarding wolves (and not relating to the enforcement of other federal laws). Let me know if this is not your intent.

Elisabeth Shea
Legislative Attorney
