<b>Description</b> waiving operator's license fees for disabled veterans		

**Assumptions Used in Arriving at Fiscal Estimate**

This bill would waive the class D and class M operator's licensing fee for disabled veterans. The bill requires the Department of Veterans Affairs (WDVA) to verify to the Department of Transportation that the applicant is a veteran and meets the criteria listed in the bill. Performing the verification would not increase costs to WDVA and since the license fee is charged by the Department of Transportation, this bill would have no fiscal effect on the Department of Veterans Affairs.

**Long-Range Fiscal Implications**
