Rep. Barca,

You requested to make domestic partnerships available to opposite-sex couples and to remove the provision in ASA 1 to AB 64 that eliminates domestic partnerships effective six months after the passage of the bill. You also asked, in a separate request, to restore state benefits to domestic partners. However, ASA 1 to AB 64 also removes county benefits to domestic partners. This amendment also restores county benefits to domestic partners. Please let me know if that is not your intent.

Could you please prepare LRB-4259/4 for introduction?

Also, as we discussed earlier, could you please change "provision of personal hygiene products" in the analysis to read "provision of feminine hygiene products"? Thanks so much!

Hi Adelina,

Sure I can update the analysis. If it's OK with you, I'll just make a note to update this with any future changes or, if none, when we make the bill into a /1, since it's in the analysis and wouldn't impact the actual bill language at all.

Hi Elizabeth,

Thanks so much for your help on this bill! We've been hearing good feedback from those with whom we have shared it. One thing Rep. Pope noticed is that, in the LRB analysis, it says the bill requires "provision of personal hygiene products," and she is worried someone might read that and assume it includes things like toothpaste and deodorant. Could that be changed to read "provision of feminine hygiene products" or even "provision of *certain* personal hygiene products"? Please let me know what you think.

Thank you,

Hi Elizabeth,

We just heard back from one of our stakeholders on this bill and she thought it looked great, but would like the word "warden" added between sheriff and superintendent – could you please make that edit? Thanks so much!

Enjoy your weekend,

Hi Elizabeth,

Thank you for getting the draft of the bill turned around so quickly. It looks great. The representative and I have just one small change and a question. Could you please give me a call sometime tomorrow morning, as I think it will be easier to talk about over the phone? I should be here from 8:30-12:30 except for a quick meeting from 10-10:20 or so. Alternately, I'll be in the office for another 40 minutes if you could give me a call today – it should only take a couple of minutes. The number here is 6-3520.

Thanks,  
Adelina
