PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION

ASSEMBLY AMENDMENT,

TO ASSEMBLY BILL (LRB-0094/1)

1 At the locations indicated, amend the bill as follows:

2 1. Page 2, line 7: after that line insert:

3 "SECTION 1m. 102.60 (1m) (c) of the statutes is amended to read:

4 X 102.60 (1m) (c) An amount equal to double the amount recoverable by the
5 injured employee, but not to exceed \$15,000, if the injured employee is a minor of
6 permit age or older and at the time of the injury is employed, required, suffered, or
7 permitted to work at prohibited employment."

History: 1975 c. 147 s. 57; 1975 c. 199; 1977 c. 29, 195; 2005 a. 172; 2009 a. 206; 2015 a. 180.

****NOTE: Section 102.60 provides for various levels of penalties for minors who are injured while "illegally employed." My reading is that s. 102.60 (1m) (a) covers minors who are simply employed without a permit, s. 102.60 (1m) (b) covers minors who are employed in something DWD has made non-permittable employment, s. 102.60 (1m) (c) covers minors of permit age who are employed in employment that is prohibited outright (whether with a permit or not), and s. 102.60 (1m) (d) covers minors who are under permit age entirely. It seemed to me that the only one of these that should be modified was s. 102.60 (1m) (c), because as currently worded, it assumes that "of permit age" means under 18, and there will still be certain employment that is prohibited for minors aged 16 or 17, it just won't require a permit. However, s. 102.60 (1m) (a) and (b) look like they will still

ASSEMBLY AMENDMENT ,

However, s. 102.60 (1m) (a) and (b) look like they will still work as currently worded, they just won't be triggered as much since the permit age is

being lowered. And s. 102.60 (1m) (d) should still work as well since the minimum age for permits is not being changed. However, DWD did not make any specific recommendations about how to change this provision, so you may wish to get their opinion as well.
