Could one of you take care of this amendment—Zack is out until tomorrow and, if it's easy and could get done today, that would be awesome.

Zack can you take care of this? Cathlene, if Zack isn't back yet can you delegate this for me? United bumped me AGAIN, and I won't be back until Wednesday now. If I get bumped one more time I'm just renting a car, sheesh.

Rep. Mason would like a simple Assembly amendment to these companion bills specifying that any municipality which sells water to the City of Waukesha/water service area under the bill must also take the return flow of the wastewater generated by the sale. Ideally, we'd have this amendment ready to go for tomorrow at 1pm for the Assembly Democratic Caucus. Thanks as always for your assistance.
