No, I'm asking what you want to combine with ASA1 to 2015 AB 251. This?

And do you want a substitute amendment or a simple amendment?

Can we incorporate last year's ASA1 to 2015 AB 251 as an addition to/combination with the current language in AA4 to ASA1 to 2017 SB 15? We need this for the floor on Wednesday, so as soon as we can get it, that would be helpful.

Thanks,
