Thanks for all the hard work so far guys. I have 2 additions to make and one small change. I'll try and match them up with the assigned groups, but I included everyone in case I get the subject area wrong.

Change.

- 1) On the Transportation Bonding Amendment: take out the dollar-for-dollar match language, so it goes back to its original "any federal match" concept. But give JFC oversight of the whole \$250k in bonding. (Zachary Wyatt??)

Please call/email with any questions.

Thanks,

We need to add some language to the transportation bonding amendment. It is as follows:

After receiving the plan or plans, the cochairpersons of the joint committee on finance shall convene a meeting of the joint committee on finance within 14 days after the plan or plans are submitted to either approve or modify and approve the plan or plans.

Call with any questions. Thanks!
