For the local incorporation amendment (LRB 0871), we would like to make the following changes:

- 1) Remove the name of "Yorkville" and add in language that makes it county neutral. Something like "a town that abuts a EIMTZ" "or a town next to a municipality that abuts an EIMTZ"
- 2) Need to add on that language we talked about earlier regarding a towns borders not being able to be annexed once they file to incorporate.

Looking to get this by this afternoon. Give me a call with any questions.

Thanks.
