Pre Topic:

No specific pre topic given

Topic:

Limit EITM zone to one county.

Instructions:

Limit all EITM exceptions in the zone to one county - We have heard analysis that the EITM zone could be broadly drawn and technically potentially even include the entire state. With that in mind, we would like to limit all the permitting and other exemptions specific to the zone to be limited to the county containing the EITM zone manufacturing facility. Nonetheless we would like to allow jobs tax credits or capital credits to be claimed for activity anywhere in the zone and not limited
