- 2 and **to create** 29.324 (5) of the statutes; **relating to:** age and hunting
- 3 restrictions applicable to the hunting mentorship program.

Analysis by the Legislative Reference Bureau

This bill eliminates the requirement that a person be at least ten years of age to hunt under the hunting mentorship program. The bill also eliminates the limit on the number of hunting devices that a mentor and the person hunting with the mentor may have in their possession while hunting. Finally, the bill prohibits a person who is serving as a mentor in a group hunting party from killing a deer for the person being mentored or using a deer carcass tag issued to the person being mentored.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

- 4 **SECTION 1.** 29.324 (2) (intro.) of the statutes is amended to read:
- 5 29.324 (2) (intro.) Except as provided in sub. subs. (4) and (5), any member of
- 6 a group deer hunting party may kill a deer for another member of the group deer
- 7 hunting party if both of the following conditions exist:
