<b>Description</b> underage sexual activity and providing a criminal penalty					

### Assumptions Used in Arriving at Fiscal Estimate

The bill creates a new Class A misdemeanor offense for underage sexual activity, which is defined as sexual intercourse with a child between the ages of 15 and 18 or sexual contact with a 15 year old child if the perpetrator is less than 19 years old and the crime does not involve the use of threat of force of violence.

This bill will not have a significant fiscal impact on the department.
