Subject: RE: Amendments to AB 260

Hey Mike,

Thanks for the two amendments that we have received thus far. I spoke with Rep. Kolste and she'd actually like to mirror the amendment that Rep. Wichgers is planning to introduce so that if he decides not to introduce it, we'll have something. This would be his amendment stripping the chiropractic acupuncture sections from the bill not the one related to section 36.

Hi Mike,

Just spoke with a staffer from Rep. Wichgers office and he mentioned they are removing the portion related to acupuncture and dry needling. So no need to draft # 4 from our list. Hopefully got this to you in time.

Thanks again,

Andrew, in number 5, what does "MA" stand for? Do you mean medical assistants, i.e. physician assistants?

Subject: Amendments to AB 260

Good Afternoon,

Rep. Kolste would like to have the following amendments drafted for AB 260. Sending to you as the two lead authors but reassign as needed.

- 1) Scrap the pre participation physical examinations portion from the bill altogether
- 2) Scrap the PPE for the WIAA and youth sports and keep it for tech college and 2 year college students only
- 3) Requirement that any chiros performing a PPE must receive an initial certification and additional re-certification every two years. The certification course should at a minimum include:
 - Goals & content of PPE
 - Patient history & physical examination
 - Guidelines for student sports participation in Wisconsin
 - Legal precautions
- 4) Up the hours requirement to 500 for chiropractic acupuncture, 200 of which would need to be clinical in nature
- 5) Limit delegation of services to nurses and MA's, not the exhaustive list included in section 12 of the bill

Note: I tried to model #3 off the requirements currently present in Colorado. I couldn't find anything in their statutes but did attach a flyer from their chiropractic association with a bit more detail.

If we could have these drafts by late Friday afternoon that would allow us enough time to get them to other committee members and stay within the 24 hour rule. The executive session will take place Tuesday morning.

Thank you,

Andrew Hoyer-Booth
