Cathlene –

I talked with someone who answered the main phone at LRB and he said you might be able to help me with drafting this idea...though we're not sure because it is sort of an obscure topic.

Senator Marklein serves on the Wisconsin Mississippi River Parkway Commission (WMRPC). The commission has asked him to draft a bill to add the following language to statute related to the commission. We have reached out to the agencies and they are fine with it.

So, we would like to draft a bill to add the Department of Agriculture, Trade and Consumer Protection and the Wisconsin Economic Development Corporation to the Technical Committee in SS14.85(9). This would add these two agencies to the list with department of transportation and the department of tourism.

Rep. Lee Nerison would like to be the co-author.

Please let me know if you are the right person to work on this – and if you have any questions.

Sincerely,

Katy Prange
