Hello,

Rep. Nygren would like to draft a bill that amends Wis. Stat. 118.01(d)(2) to require that public school health curricula include drug abuse awareness, including prescription drug abuse awareness. Please let me know if you have any questions.

Thank you and have a great thanksgiving!

1 AN ACT ...; relating to: requiring school boards to provide instruction about drug
2 abuse awareness and prevention.

Analysis by the Legislative Reference Bureau

This bill requires each school board to incorporate drug abuse awareness and prevention in its health instructional program.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 SECTION 1. 118.01 (2) (d) 2. d. of the statutes is created to read:
4 118.01 (2) (d) 2. d. Awareness about drug abuse, including prescription drug
5 abuse, and prevention.

6 (END)

a school board may not require a pupil to receive that instruction

Current law requires school boards to provide instruction about the effects of controlled substances and alcohol on the human system, but if the pupil's parent or guardian files a written objection.

Subject: LRB-4937/P1

Good morning Tracy,

I was wondering if we could make a change to our bill draft, LRB-4937/P1. In 118.01 (d) 6. It reads: **6. Knowledge of the prevention of accidents and promotion of safety on the public highways, including instruction on the relationship between highway safety and the use of alcohol and controlled substances under ch. 961.**

We would like to change our bill to reflect the following changes in statute:

6. Knowledge of the prevention of accidents and promotion of safety on the public highways, including instruction on the relationship between highway safety and the use of alcohol and controlled substances, including prescription drugs, under ch. 961.

Please let me know if I can help in any way,

Thank you!
