Cathlene-

I hope you are well and thank you for drafting all of those amendments. Two small change requests from my boss.

On the immunization amendment – LRBa1513 – please have it read “1. Page 4, line 1: after “care” insert, not including immunizations or lack thereof.”

On the deferred prosecution amendment – LRBa1523 – please have it read “1. Page 4, line 23: after “occur.” Insert “The district attorney shall offer a deferred prosecution agreement to a person charged with a violation under this paragraph or a first offense.”

Could these changes be made and new copies sent over and jacketed?

Thank you!
