**ASSEMBLY SUBSTITUTE AMENDMENT 1,
TO ASSEMBLY BILL 805**

December 28, 2017 - Offered by Representative KOOYENGA.

- 1 **AN ACT to create** 118.55 (10) of the statutes; **relating to:** excluding certain
2 college credit in high school programs from the Early College Credit Program.

Analysis by the Legislative Reference Bureau

This substitute amendment excludes certain college-level courses offered to high school pupils enrolled in a public school from the Early College Credit Program.

Under the ECCP, a high school pupil, including a high school pupil attending a private school, may enroll in an institution of higher education for the purpose of taking one or more nonsectarian courses. Also under the ECCP, "institution of higher education" is defined to mean an institution within the University of Wisconsin System, a tribally controlled college, and a private, nonprofit institution of higher education located in this state. Under the ECCP, a pupil may take the course to earn high school credit or postsecondary credit or both. The cost of tuition for each course is divided among the Department of Workforce Development, the school board of the pupil's school or the governing body of the private school the pupil attends, and the pupil. The share that each responsible party pays is dependent on whether the course is taken for high school credit or postsecondary credit and whether a course similar to the course taken at the institution of higher education is comparable to a course offered by the school board or private school.

This substitute amendment provides that a course that satisfies all of the following requirements is not a course under the ECCP:

1. The course is offered to pupils under an agreement made before, on, or after the effective date of the substitute amendment between a school board and either of the following:

a. The chancellor of one of the four-year institutions of the University of Wisconsin System.

b. The president of a private, nonprofit postsecondary institution.

2. Instruction in the course takes place in a school building in the school district or a school district facility.

3. The teacher who provides instruction in the course is employed by the school district and has been certified or approved to teach the course by the participating University of Wisconsin System institution or private, nonprofit postsecondary institution.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 118.55 (10) of the statutes is created to read:

2 118.55 (10) INAPPLICABILITY. (a) In this subsection:

3 1. “Private, nonprofit institution” means a private, nonprofit postsecondary
4 institution that is a member of the Wisconsin Association of Independent Colleges
5 and Universities or any successor organization.

6 2. “University of Wisconsin System institution” means a 4-year institution in
7 the University of Wisconsin System.

8 (b) This section does not apply to a course for which a pupil may earn
9 postsecondary credit if all of the following apply:

10 1. The school board of the school district and one of the following have entered
11 into an agreement before, on, or after the effective date of this subdivision [LRB
12 inserts date], to provide a college credit in high school program to academically
13 qualified pupils under which participating pupils may take the course for
14 postsecondary credit:

15 a. The chancellor of a University of Wisconsin System institution.
