Description

preventing the state or local governments from requiring any person to accept certain collective bargaining provisions or waive its rights under the National Labor Relations Act or state labor law; prohibiting local regulation of employee hours and overtime, employment benefits, wage claims and collections, an employer's right to solicit salary information of prospective employees, employment discrimination, and professions regulated by the state; and providing a criminal penalty

Assumptions Used in Arriving at Fiscal Estimate

AB-0748 will have no fiscal impact on the Wisconsin Employment Relations Commission. To the extent the type of local regulation prohibited by AB-0748 created costs that exceed those costs that would otherwise exist, AB-0748 would reduce local government costs by an indeterminate amount.
