Analysis by the Legislative Reference Bureau

JUSTICE the Department of Justice

This bill changes the information that DOJ must include in its report to DOA and JCF regarding restitution received by crime victims. Under the bill, the report must specify the total number of individuals who received restitution instead of identifying the individuals who received restitution and must provide the total amount paid to all recipients instead of providing the amount paid to each recipient. ✓

The Department of Administration

- 2 SECTION 1. 165.25 (10) of the statutes is amended to read:

6 and determining the amount paid to each recipient. ✓
