14 personal use, if the sales price of any single item is no more than \$250.

15 4. School supplies, if the sales price of any single item is no more than \$75.

16 (c) The exemption under this subsection shall be administered as follows:

17 1. A sale of eligible property under a layaway sale qualifies for exemption if  
18 either of the following applies:

19 a. Final payment on a layaway order is made by, and the property is given to,  
20 the purchaser during the exemption period.

21 b. The purchaser selects the property and the retailer accepts the order for the  
22 item during the exemption period, for immediate delivery upon full payment, even  
23 if delivery is made after the exemption period.

1           2. The bundled transaction provisions under subs. (51) and (52) and ss. 77.51  
2 (1f) and (3pf) and 77.52 (20), (21), (22), and (23) apply in the same manner during the  
3 exemption period under this subsection as they apply in other periods.

4           3. A discount by the seller reduces the sales price of the property and the  
5 discounted sales price determines whether the sales price is within the price  
6 threshold in par. (b). A coupon that reduces the sales price is treated as a discount  
7 if the seller is not reimbursed for the coupon amount by a 3rd party. If a discount  
8 applies to the total amount paid by a purchaser rather than to the sales price of a  
9 particular item and the purchaser has purchased both eligible property and taxable  
10 property, the seller shall allocate the discount based on the total sales prices of the  
11 taxable property compared to the total sales prices of all property sold in that same  
12 transaction.

13           4. Products that are normally sold as a single unit shall be sold in that manner  
14 and may not be divided into multiple units and sold as individual items in order to  
15 obtain the exemption under this subsection.

16           5. Eligible property that is purchased during the exemption period with the use  
17 of a rain check qualifies for the exemption regardless of when the rain check was  
18 issued. Items purchased after the exemption period with the use of a rain check are  
19 not eligible property under this subsection even if the rain check was issued during  
20 the exemption period.

21           6. The procedure for an exchange with regard to the exemption under this  
22 subsection is as follows:

23           a. If a purchaser purchases an item of eligible property during the exemption  
24 period but later exchanges the item for a similar item of eligible property, even if

1 different in size, color, or another feature, no additional tax is due even if the  
2 exchange is made after the exemption period.

3 b. If a purchaser purchases an item of eligible property during the exemption  
4 period, but after the exemption period has ended, the purchaser returns the item and  
5 receives credit on the purchase of a different item, the appropriate sales tax is due  
6 on the sale of the different item.

7 c. If a purchaser purchases an item of eligible property before the exemption  
8 period, but during the exemption period the purchaser returns the item and receives  
9 credit on the purchase of a different item of eligible property, no sales tax is due on  
10 the sale of the new item if the new item is purchased during the exemption period.

11 7. Delivery charges, including shipping, handling, and service charges, are part  
12 of the sales price of eligible property. For the purpose of determining the price  
13 threshold under par. (b), if all the property in a shipment qualifies as eligible  
14 property and the sales price for each item in the shipment is within the price  
15 threshold under par. (b), the shipment is considered a sale of eligible property and  
16 the seller does not have to allocate the delivery, handling, or service charge to  
17 determine if the price threshold under par. (b) is exceeded. If the shipment includes  
18 eligible property and taxable property, including an item of eligible property with a  
19 sales price in excess of the price threshold, the seller shall allocate the delivery,  
20 handling, and service charge by using one of the following methods and shall apply  
21 the tax to the percentage of the delivery, handling, and service charge allocated to  
22 the taxable property:

23 a. A percentage based on the total sales price of the taxable property compared  
24 to the total sales price of all property in the shipment.

1           b. A percentage based on the total weight of the taxable property compared to  
2 the total weight of all property in the shipment.

3           8. Eligible property qualifies for exemption under this subsection if either of  
4 the following applies:

5           a. The item is both delivered to and paid for by the customer during the  
6 exemption period.

7           b. The purchaser orders and pays for the item and the seller accepts the order  
8 during the exemption period for immediate shipment, even if delivery is made after  
9 the exemption period. For purposes of this subd. 8. b., the seller accepts an order  
10 when the seller has taken action to fill the order for immediate shipment. Actions  
11 to fill an order include placement of an in-date stamp on a mail order or assignment  
12 of an order number to a telephone order. For purposes of this subd. 8. b., an order  
13 is for immediate shipment when the customer does not request delayed shipment  
14 and regardless of whether the shipment is delayed because of a backlog of orders or  
15 because stock is currently unavailable, or on back order, by the seller.

16           9. For a 60-day period immediately after the exemption period under this  
17 subsection, when a purchaser returns an item that would qualify for the exemption,  
18 no credit for or refund of sales tax shall be given unless the purchaser provides a  
19 receipt or invoice that shows tax was paid or the seller has sufficient documentation  
20 to show that tax was paid on the specific item.

21           10. The time zone of the seller's location determines the authorized period for  
22 the exemption under this subsection when the retailer and purchaser are located in  
23 different time zones.

24           (d) This subsection does not apply in 2019 or in any year thereafter.

25           **SECTION 2.** 77.68 of the statutes is created to read:

18          **(2) CLAIMS.** (a) Subject to the limitations and conditions under sub. (4), a  
19          claimant may claim, as an approximation of the nonbusiness Wisconsin sales or use  
20          tax paid in 2017 for raising children, a rebate equal to \$100 for each qualified child  
21          of the claimant. An eligible claimant may claim the rebate by submitting an online  
22          application, as prescribed by the department. The department may request that the  
23          claimant verify the eligibility of the claimant or child by submitting to the  
24          department vital records information or any other information requested by the

1 department. For purposes of this paragraph, the department of health services shall  
2 supply, without charge, vital records information to the department of revenue.

3 (b) For each approved claim described under par. (a), the department shall  
4 certify the allowable amount of the claim to the department of administration for  
5 payment to the claimant by check, share draft, or other draft drawn from the  
6 appropriation account under s. 20.835 (2) (cb) by September 1, 2018.

7 **(3) ELIGIBILITY.** (a) An individual who is a full-year resident, nonresident, or  
8 part-year resident and who has a qualified child is eligible to receive a rebate under  
9 sub. (2) if the individual files a claim for the rebate with the department not later  
10 than June 30, 2018. The claim shall be filed by submitting an online application  
11 prescribed by the department. The department shall require a nonresident, or a  
12 part-year resident who was not a resident on December 31, 2017, to verify his or her  
13 nonbusiness Wisconsin sales or use taxes paid in 2017, and the verified amount must  
14 be at least \$100 for each qualified child of the claimant to be eligible to receive a  
15 rebate under sub. (2).

16 (b) A qualified child may be claimed for the rebate under sub. (2) by only one  
17 claimant.

18 **(4) LIMITATIONS AND CONDITIONS.** (a) Section 71.80 (3) and (3m), as it applies to  
19 income tax refunds, applies to a sales and use tax rebate under this section.

20 (b) The department may enforce the rebate under this section and may take any  
21 action, conduct any proceeding, and proceed as it is authorized with respect to taxes  
22 under ch. 71. The income tax provisions in ch. 71 relating to assessments, refunds,  
23 appeals, collection, interest, and penalties apply to the rebate under this section.

1 (c) After a rebate has been issued under sub. (2) but before the check, share  
2 draft, or other draft has been cashed, the spouse of a married claimant may request  
3 a separate check, share draft, or other draft for 50 percent of the joint rebate.

4 (d) If the department is unable to locate an eligible claimant who claimed a  
5 rebate under sub. (2) by December 31, 2018, or, notwithstanding s. 20.912 (1), (2), and  
6 (3), if an eligible claimant who is issued a check, share draft, or other draft does not  
7 cash the check, share draft, or other draft by December 31, 2018, the right to the  
8 rebate lapses.

9 (e) If a claimant becomes deceased after he or she filed his or her claim for a  
10 rebate under sub. (2), the amount of the rebate for which the claimant is eligible shall  
11 be paid to the claimant's estate.

12 (5) SUNSET. Except as provided in sub. (4) (b), this section does not apply after  
13 December 31, 2018.

14 **SECTION 3. Nonstatutory provisions.**

15 (1) DETERMINATIONS OF ELIGIBILITY OR EXTENT OR AMOUNT OF CERTAIN BENEFITS.

16 (a) In this subsection, "state agency" has the meaning given in section 16.417  
17 (1) (a) of the statutes.

18 (b) Notwithstanding any other provision of state law that relates to  
19 determining, based on an individual's personal income or assets, that individual's  
20 eligibility for a state-funded grant, loan, monetary assistance, or other benefit or the  
21 amount or extent of that grant, loan, monetary assistance, or other benefit, a state  
22 agency may not consider receipt of a onetime rebate of nonbusiness Wisconsin sales  
23 or use tax under section 77.68 of the statutes to be income or an asset of the  
24 individual. This paragraph shall be broadly construed to avoid determinations of  
25 ineligibility for a state-funded grant, loan, monetary assistance, or other benefit.

1 (c) By July 1, 2018, the department of health services shall request a waiver,  
2 to the extent permitted under federal law, from the secretary of the federal
