Description description					
legislative power and duties, state agency and authority composition and operations, administrative rule-making process, federal government waivers and approvals, unemployment insurance work search and					
registration requirements, and making an appropriation					

## Assumptions Used in Arriving at Fiscal Estimate

Among its provisions, the bill would direct the Legislative Council staff to provide agencies with assistance in determining whether documents and communications are guidance documents that are subject to requirements under s. 227.112, Stats., as created by the bill.

The Legislative Council staff anticipate the ability to absorb the cost of assisting agencies with minimal impact on its ability to carry out existing duties.

## **Long-Range Fiscal Implications**
