Description the removal of nonconforming outdoor advertising signs along highways					

Assumptions Used in Arriving at Fiscal Estimate

State Fiscal Effect: The bill may result in a one-time minimal increase in administrative costs as the department will have to modify several processes regarding the regulation on nonconforming signs.

Long-Range Fiscal Implications

The Highway Beautification Act requires states to maintain effective control of outdoor advertising. No state has lost federal funding since 1978 for failure to provide effective control of outdoor advertising.
