Description						
marriage between persons of the same sex and extending parentage rights to married couples of the same sex						

Assumptions Used in Arriving at Fiscal Estimate

This bill recognizes same-sex marriage by making references to spouses in the statutes gender neutral, with the intent of harmonizing the Wisconsin statutes with the holding of the U.S. Supreme Court, which recognized that same-sex couples have a fundamental constitutional right to marriage. The bill also recognizes legal parentage for same-sex couples under certain circumstances.
