Fiscal Estimate Narratives

DNR 9/19/2017

LRB Number 17-3174/1	Introduction Number SB-406	Estimate Type Original
Description mitigation requirements applicable to wetland individual permits		

Assumptions Used in Arriving at Fiscal Estimate

The bill prohibits the Department from requiring mitigation for a wetland individual permit issued to a public utility unless the permit results in a permanent fill of more than 10,000 square feet of wetland.

Based on reviews of previous utility project permits, the proposal could affect mitigation requirements for approximately 2 projects per year, but it would have no fiscal impact on the Department.

Long-Range Fiscal Implications
