Description							
modifications to a local governmental unit's employee grievance procedure							

Assumptions Used in Arriving at Fiscal Estimate

SB 419 will have no fiscal impact on the Wisconsin Employment Relations Commission.

SB-419 will require the amendment of existing local government grievance procedures but amendment costs will be minimal and should be able to be absorbed through use of existing resources. It is not anticipated that the amendments will significantly alter the volume of use of grievances procedures or the costs of said use.
