2017 Assembly Bill 288	Assembly Amendment 2
<i>Memo published: October 5, 2017</i>	<i>Contact: Jessica Ozalp, Staff Attorney</i>

Assembly Amendment 2 (“the amendment”) to 2017 Assembly Bill 288 (“the bill”) makes changes to the job access loan program, which provides loans to eligible persons that can be used for, among other things, the repair or purchase of a vehicle needed for employment.

JOB ACCESS LOANS

Under current law, the Department of Children and Families makes job access loans through the Wisconsin Works (W-2) program to eligible persons who need such loans to obtain or continue employment. Generally, the W-2 program is available to low-income custodial parents who are at least 18 years old. The loan funds can be used to repair or purchase a vehicle needed to access a job.

The Bill

The bill creates special eligibility conditions for granting a job access loan in the following circumstances. First, in order to be eligible for a job access loan to repair or purchase a vehicle, a person must possess a current and valid driver’s license. Second, a person who is on probation, parole, or extended supervision is not eligible to receive a job access loan to purchase a vehicle unless that person provides proof that the responsible parole or probation officer or extended supervision agent has granted permission to purchase a vehicle.

The Amendment

The amendment creates an additional requirement that a person must also provide proof of a motor vehicle liability insurance policy as required by s. 344.62, Stats., to be eligible to receive a job access loan to repair or purchase a vehicle.

BILL HISTORY

Assembly Amendment 2 was offered by Representative Weatherston on June 29, 2017.
